Bottled Up Secret By Brian McNamara

Brendan Madden is in the midst of his senior year of high school and couldn't be happier. He has a great group of friends, his pick of colleges, and he has recently come to terms with his sexuality. One night, he meets Mark Galovic, a gorgeous, younger classmate of his. In a matter of minutes, Brendan is hooked. As the friendship between them grows, Brendan reaches his breaking point when he spontaneously confesses his feelings to him. Brendan is shocked and elated to find out that Mark feels the same way about him. The two begin to date, but because Mark is not out, it must remain a secret. As their friends and family become suspicious, openly gay Brendan becomes increasingly frustrated with their discreet relationship, while Mark becomes more and more paranoid that they're going to be found out.

Editorial Review

About the Author

The youngest of six kids (and the only boy!), Brian McNamara was born and raised in the suburbs of Cleveland, Ohio. His favorite hobbies growing up were tennis and musical theater. He obtained a degree in finance in 2009 and moved to New York City shortly after to work for a management consulting firm. While pursuing his true passions of writing and acting on the side, he decided to quit his corporate job to focus all his energy on what he loved. Using his own high school experience as inspiration for his debut novel, he is thrilled to publish Bottled Up Secret with BSB.
