### Editorial Review

#### From Library Journal

In her first novel, poet/critic Williams depicts the story of runaway slave Dessa Rose and a white woman who harbors runaways on her isolated farm. Dessa's story begins when she attacks the master who has killed her husband. Sold to a slave trader from whom she and some companions escape, Dessa is captured and interviewed by a man writing a book on slave rebellions. Her companions free her and, hiding on Miss Rufel's farm, they plot their escape to the West. Dessa's evolving relationship with Miss Rufel speaks volumes about the complex feelings between white and black women then and now. Unfortunately, the initial exposition, alternating between the interviewer and Dessa's dazed flashbacks, is slow-moving and confusing, giving no hint of the richness to come. Rewarding for the persistent reader. Janet Boyarin Blundell, M.L.S., Brookdale Community Coll., Lincroft, N.J.

#### From the Back Cover

This acclaimed historical novel is based on two actual incidents: In 1829 in Kentucky, a pregnant black woman helped lead an uprising of a group of slaves headed to the market for sale. She was sentenced to death, but her hanging was delayed until after the birth of her baby. In North Carolina in 1830, a white woman living on an isolated farm was reported to have given sanctuary to runaway slaves. In *Dessa Rose*, the author asks the question: "What if these two women met?"

From there the story unfolds: two strong women, one black, one white, form a forbidden and ambivalent alliance; a bold scheme is hatched to win freedom; trust is slowly extended and cautiously accepted as the two women unite and discover greater strength together than alone. United by fate but divided by prejudice, these two women are locked in a thrilling battle for freedom, sisterhood, friendship, and love.
