House of Windows By John Langan

From John Langan (*Mr. Gaunt and Other Uneasy Encounters*) comes *House of Windows*, a chilling novel in the tradition of Peter Straub, Joe Hill, and Laird Barron.

When a young writer finds himself cornered by a beautiful widow in the waning hours of a late-night cocktail party, he seeks at first to escape, to return to his wife and infant son, but the tale she weaves, of her missing husband, a renowned English professor, and her lost stepson, a soldier killed on a battlefield on the other side of the world, of phantasmal visions, a family curse, and a house... the Belvedere House, a striking mansion whose features suggest a face, hidden just out of view, draws him in, capturing him. What follows is a deeply psychological ghost story of memory and malediction, loss and remorse.

Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a *New York Times* bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Editorial Review

From Publishers Weekly

A two-time International Horror Guild Award finalist for short fiction, Langan pens a surprisingly plodding first novel. Lovely widow Veronica Croydon corners the unnamed narrator at a party and offers to relate the weird story of her husband, Roger, and his disappearance. She spins an odd tale of adultery, family struggles and a house possibly haunted by the spirit of Roger's son, Ted, a Special Forces officer who died in Afghanistan after Roger disowned and cursed him. Though Veronica's story spans two nights, the level of detail stretches the confessional conceit well beyond the bounds of believability. Literary allusions offer a spark of interest, but even fans of Lovecraft and Peter Straub, whom Langan tries hard to emulate, will find it difficult to navigate the unnecessary tangents and repetitious minutiae that plague this pseudoliterary potboiler.
