Married by Morning (Hathaways, Book 4) By Lisa Kleypas

For two years, Catherine Marks has been a paid companion to the Hathaway sisters?a pleasant position, with one caveat. Her charges' older brother, Leo Hathaway, is thoroughly exasperating. Cat can hardly believe that their constant arguing could mask a mutual attraction. But when one quarrel ends in a sudden kiss, Cat is shocked at her powerful response?and even more so when Leo proposes a dangerous liaison.

Leo must marry and produce an heir within a year to save his family home. Catherine's respectable demeanor hides a secret that would utterly destroy her. But to Leo, Cat is intriguing and infernally tempting, even to a man resolved never to love again. The danger Cat tried to outrun is about to separate them forever?unless two wary lovers can find a way to banish the shadows and give in to their desires...*Married by Morning* continues Lisa Kleypas's Hathaways series set in Victorian London.

Starred Review Everyone in the Hathaway family loves Catherine Marks. Well, everyone except for the head of the family, Leo, Lord Ramsay. Leo thinks Catherine is far too outspoken, opinionated, and obstinate for a companion, and Catherine has an equally high opinion of her employer. For the sake of his sisters, however, Leo manages to strike an uneasy truce. But when he suddenly discovers he has one year to find a wife and produce an heir or lose the family's beloved home, the first (and only) woman he even considers marrying is the one who drives him crazy. The only problem is that Catherine is a lady with secrets, and one of those secrets is about to destroy her carefully cultivated new life unless Leo can convince her to trust him to help set things right. A sharp-witted and sharp-tongued heroine closely guards the secret of her past from an equally determined hero with a few secrets of his own in the latest sinfully sensual, superbly written addition to Kleypas' wickedly funny Hathaway series. --John Charles
