Skin Disease: Diagnosis and Treatment, 3e (Skin Disease: Diagnosis and Treatment (Habif)) By Thomas P. Habif MD, James L. Campbell Jr. MD MS, M. Shane Chapman MD, James G. H. Dinulos MD, Kathryn A. Zug MD

Skin Disease: Diagnosis and Treatment, 3rd Edition, by Drs. Thomas P. Habif, James L. Campbell, Jr., M. Shane Chapman, James G. H. Dinulos, and Kathryn A. Zug, is the quick and practical clinical reference you need to help you effectively diagnose and treat 250 common dermatologic diseases. You'll find succinct, user-friendly chapters arranged by disorder type, updated treatment plans, and hundreds of new images showing diseases in various stages of manifestation, including detailed information and illustrations on tropical dermatology. Perfect for any medical practitioner who'd rather treat than refer patients with skin disease, this full-color resource will also serve you well when prepping for the boards.

- Gain reliable, practical, and efficient guidance regarding the diagnoses and treatment of the most common 250 dermatologic disorders, along with clinical tips presented by the experts.
- Accurately identify skin conditions in children with discussions of how they manifest differently than in adults.
- Quickly access the answers you need with the dermatologic drug formulary, a "differential diagnosis by anatomical region and lesion" guide, and the disorders index.
- Prescribe effective dermatologic treatment based on the practical diagnostic advice of Dr. Habif and fellow contributors who offer anterior and posterior diagrams of where diseases may be found on the body, classification of primary, secondary, and special lesions, pediatric considerations, clinical pearls to guide decision making, and more.
- Get and give the most up-to-date therapeutic advice available as every section in the book is revised with current treatment plans.
- Be prepared for travel-related skin diseases with new, richly illustrated coverage on tropical dermatology.

- See how skin disorders present at different stages with hundreds of new and often never-before-published images.

Diagnose and treat more of the dermatology disease you see every day and refer less with the expert guidance of Dr. Habif

Editorial Review

Review

"This continues to be my all-time favorite, go-to book for a quick refresher on treatment and diagnostic tips as well as to confirm clinical findings by studying the gorgeous color photographs. This should be a mandatory purchase for medical students and dermatology residents. I recommend it be the first book you read on the subject. It provides an excellent basis for tackling the encyclopedic tomes on dermatology. Reading this is like falling in love again (with dermatology)!"

– Patricia Wong, MD, Stanford University Medical Center

5 Star - Doody Rating, March 2013

About the Author

Thomas P. Habif, MD, Clinical Professor of Surgery (Dermatology Section), Geisel School of Medicine at Dartmouth, Hanover, NH, USA

Users Review

From reader reviews:

Carol Castaneda:

As people who live in the modest era should be update about what going on or info even knowledge to make these keep up with the era which is always change and progress. Some of you maybe will update themselves by reading books. It is a good choice for you but the problems coming to anyone is you don't know what one you should start with. This Skin Disease: Diagnosis and Treatment, 3e (Skin Disease: Diagnosis and Treatment (Habif)) is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

Deborah Mele:

Reading a guide can be one of a lot of task that everyone in the world enjoys. Do you like reading book therefore. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new details. When you read a guide you will get new information due to the fact book is one of a number of ways to share the information or their idea. Second, looking at a book will make an individual more imaginative. When you reading through a book especially fictional works book the author will bring one to imagine the story how the people do it anything. Third, it is possible to share your knowledge to other people. When you read this Skin Disease: Diagnosis and Treatment, 3e (Skin Disease: Diagnosis and Treatment (Habif)), you may tells your family, friends in addition to soon about yours publication. Your knowledge can inspire the others, make them reading a reserve.

Nora Mickey:

Precisely why? Because this Skin Disease: Diagnosis and Treatment, 3e (Skin Disease: Diagnosis and Treatment (Habif)) is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will zap you with the secret the idea inside. Reading this book next to it was fantastic author who else write the book in such awesome way makes the content on the inside easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of gains than the other book have such as help improving your expertise and your critical thinking technique. So , still want to hold off having that book? If I ended up you I will go to the guide store hurriedly.

Tammie Turman:

That reserve can make you to feel relax. This specific book Skin Disease: Diagnosis and Treatment, 3e (Skin Disease: Diagnosis and Treatment (Habif)) was multi-colored and of course has pictures on there. As we know that book Skin Disease: Diagnosis and Treatment, 3e (Skin Disease: Diagnosis and Treatment (Habif)) has many kinds or type. Start from kids until teenagers. For example Naruto or Detective Conan you can read and believe you are the character on there. Therefore , not at all of book tend to be make you bored, any it offers you feel happy, fun and unwind. Try to choose the best book in your case and try to like reading this.
