The Homeward Bounders By Diana Wynne Jones

When They threw Jamie out to the Boundaries, he was at first too shocked and amazed to make much sense of it. He'd been told he could go Home if he found himself in the right world, but life seemed to be a succession of strange countries -some pleasant, most dangerous-where survival was all that mattered.

Little by little, though, Jamie realized that there was a curious logic in things -- he wasn't the only Homeward Bounder, for one thing, though some, like Ahasuerus and the Flying Dutchman, had been trying to get Home for a very long time.

But Jamie decided to try and do more than that. Together with some other Homeward Bounders -- Helen, who could do extraordinary things with her withered arm, Joris the demon hunter (and Konstam, his master) -- and other friends, he plotted to oppose Them directly, in the fortress that seemed to be Their chief stronghold.

This is a remarkable, powerful story, full of unexpected events and ideas, which will absorb and fascinate all those who read it.

Editorial Review

Review

“The concept itself is ingenious, the characters are varied, the setting interesting, and the writing style vigorous but controlled.” -- *Bulletin of the Center for Children’s Books*

About the Author

Diana Wynne Jones spent her childhood in Essex and has been writing fantasy novels for children since 1973. With her unique combination of magic, humour and imagination, she has been enthalling children and adults with her work ever since. She won the Guardian Award in 1977 with Charmed Life, was runner-up for the Children's Book Award in 1981, and was twice runner-up for the Carnegie Medal. She is married with three sons, and lives in Bristol with her husband.

Users Review

From reader reviews:

Charles Eiland:
