Big Trouble By Dave Barry

Dave Barry makes his fiction debut with a ferociously funny novel of love and mayhem in south Florida.

In his career, Dave Barry has done just about everything--written bestselling nonfiction, won a Pulitzer Prize, seen his life turned into a television series. And now, at last, he has joined the long list of literary figures from Jane Austen to Tolstoy who have made the transition from humor columnist to novelist...and done it with a style and inventiveness that establishes that, yes, he is very good at that, too.

In the city of Coconut Grove, Florida, these things happen: A struggling adman named Eliot Arnold drives home from a meeting with the Client From Hell. His teenage son, Matt, fills a Squirtmaster 9000 for his turn at a high school game called Killer. Matt's intended victim, Jenny Herk, sits down in front of the TV with her mom for what she hopes will be a peaceful evening for once. Jenny's alcoholic and secretly embezzling stepfather, Arthur, emerges from the maid's room, angry at being rebuffed. Henry and Leonard, two hit men from New Jersey, pull up to the Herks' house for a real game of Killer, Arthur's embezzlement apparently not having been quite so secret to his employers after all. And a homeless man named Puggy settles down for the night in a treehouse just inside the Herks' yard.

In a few minutes, a chain of events that will change the lives of each and every one of them will begin, and will leave some of them wiser, some of them deader, and some of them definitely looking for a new line of work. With a wicked wit, razor-sharp observations, rich characters, and a plot with more twists than the Inland Waterway, Dave Barry makes his debut a complete and utter triumph.

Editorial Review

Users Review

From reader reviews:

Rex Pelkey:

The book Big Trouble make you feel enjoy for your spare time. You need to use to make your capable more increase. Book can for being your best friend when you getting strain or having big problem along with your subject. If you can make studying a book Big Trouble to be your habit, you can get more advantages, like add your own personal capable, increase your knowledge about several or all subjects. You can know everything if you like wide open and read a e-book Big Trouble. Kinds of book are a lot of. It means that, science guide or encyclopedia or others. So , how do you think about this guide?

Bernice Cofield:

As people who live in the modest era should be update about what going on or facts even knowledge to make all of them keep up with the era that is always change and progress. Some of you maybe will certainly update themselves by looking at books. It is a good choice for yourself but the problems coming to an individual is you don't know what type you should start with. This Big Trouble is our recommendation to help you keep up with the world. Why, because this book serves what you want and wish in this era.

Henry Stehle:

Reading a book tends to be new life style with this era globalization. With reading you can get a lot of information that can give you benefit in your life. Together with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their very own reader with their story as well as their experience. Not only situation that share in the ebooks. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors in this world always try to improve their talent in writing, they also doing some research before they write for their book. One of them is this Big Trouble.

Alan Sarno:

People live in this new time of lifestyle always try to and must have the spare time or they will get lot of stress from both lifestyle and work. So , if we ask do people have time, we will say absolutely of course. People is human not only a robot. Then we question again, what kind of activity have you got when the spare time coming to you actually of course your answer will probably unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative within spending your spare time, typically the book you have read is usually Big Trouble.
