Editorial Review

Amazon.com Review

Woody Allen's greatness as a director rests squarely on his stupendous talent as a writer. In the glory years from 1977 to 1980 he released his best--and best written--movies. Included in this volume are the scripts of *Annie Hall*, Allen's first mature film and the winner of the Best Picture Oscar; *Interiors*, his first serious work, a Bergmanesque treatment of a tortured family; *Manhattan*, his greatest and most characteristic movie, which concerns a writer's attempt to find true love in the comic wilderness of New York City; and *Stardust Memories*, his most satiric and personal piece, about the effects of fame on a film director who is standing at a crossroads in his life.
