Something Strange and Deadly (Something Strange and Deadly Trilogy) By Susan Dennard

Sixteen-year-old Eleanor Fitt's brother is missing. And when she discovers that the Dead are rising in Philadelphia and wreaking havoc throughout the city, she knows that her brother is involved.

So Eleanor enlists the help of the Spirit-Hunters. This motley crew, hired to protect the city from supernatural forces, is after the necromancer who has been reanimating corpses. Their skills can save her brother. But as Eleanor spends time with the Spirit-Hunters, and their handsome inventor, Daniel, the situation becomes dire. Now not only is her reputation at risk, but her very life may hang in the balance.

In *Something Strange and Deadly*, the first book in a trilogy, Susan Dennard weaves together vividly imagined scenes of action, adventure, and gorgeous Victorian fashion to create an entertaining steampunk tapestry of humor, horror, and romance. Readers who love Cassandra Clare's *Infernal Devices* series will be intrigued from the start.

Editorial Review

From School Library Journal

Gr 8 Up-This novel is a cool mixture of Victorian mystery/romance and zombie story. It makes for a sort of steampunk feel. It has suspense and is a mystery in the lightest sense of the word but the fun is in its blending of genres with the cosseted elite mixing with the zombie hordes. Eleanor Fitt is in a troublesome spot. Her brother is missing, her mother refuses to acknowledge the sorry state of their finances and is trying to marry her off to the highest bidder, and the dead are walking. She goes to the Spirit-Hunters determined to find out what really happened to her brother. Instead of answers she finds more questions: Why are the Spirit-Hunters here? Are they causing the trouble with the dead, or are they simply patsies? And, more importantly, why is everyone associated with her brother dying in such a dramatic way? Eleanor is strong willed and inquiring, and the situations mirror the Victorian sensibilities well. Give this novel to anyone who likes a light zombie story with a pinch of romance.-Saleena L. Review

“Thrilling, charming, and dark, *Something Strange and Deadly* is a delicious sandwich of harmonious flavors. I fell for Daniel, I soaked in the zombie mayhem with glee, I delighted in the steampunk fashion and gadgetry. If you enjoyed *The Clockwork Angel*, you’ll love this. Fantastical fun.” (Marie Lu, author of the *LEGEND* trilogy)

“This debut novel is quite compelling and features a plot that moves at breakneck speed. The plot is full of action, betrayal, and romance.” (Voice of Youth Advocates (VOYA))

“Mystery, romance, humor, action, a sure-fire setting: Dennard delivers.” (Kirkus Reviews)

“Debut author Dennard deftly weaves together a vast plot blending historical fiction, horror, romance, and mystery. A roaring-and addictive-gothic world.” (Publishers Weekly)

“From the first page, readers will be awakened to an 1876 Philadelphia replete with animated corpses, irresistible romance and a game of intrigue. Those who enjoy Cassandra Clare’s *the Infernal Devices* series will be spellbound by Dennard’s macabre and impressive debut.” (Shelf Awareness)

A wonderfully brisk pace sweeps readers into an intriguing mystery. Eleanor serves as a highly entertaining guide and readers will find themselves settling in among the undead just fine. (Bulletin of the Center for Children’s Books)

From the Back Cover

The Dead are on her heels. Her life is on the line. And time is running out.

After her father dies and her brother mysteriously goes missing, Eleanor Fitt is left to deal with her family's declining financial state. And with her controlling mother trying to marry her off, sixteen-year-old Eleanor doesn't think life could get more complicated.

But then the Dead start walking.

Desperate to solve the mystery of her brother's disappearance, Eleanor ventures into the private lab of the elusive Spirit-Hunters, who protect the city from supernatural forces. Always a social misfit, Eleanor finally feels at home among the intelligent Joseph, feisty Jie, and extremely stubborn yet gorgeous Daniel. But the more time she spends with them, the more dangerous her life becomes.

Users Review
