

# Texian Iliad: A Military History of the Texas Revolution

By Stephen L. Hardin

**Texian Iliad: A Military History of the Texas Revolution** By Stephen L. Hardin

**Winner, T. R. Fehrenbach Book Award Texas Historical Commission  
Summerfield G. Roberts Award Sons of the Republic of Texas  
Honorable Mention, Certificate of Commendation, American Association  
for State and Local History**

Hardly were the last shots fired at the Alamo before the Texas Revolution entered the realm of myth and controversy. French visitor Frederic Gaillardet called it a "Texian Iliad" in 1839, while American Theodore Sedgwick pronounced the war and its resulting legends "almost burlesque."

In this highly readable history, Stephen L. Hardin discovers more than a little truth in both of those views. Drawing on many original Texan and Mexican sources and on-site inspections of almost every battlefield, he offers the first complete military history of the Revolution. From the war's opening in the "Come and Take It" incident at Gonzales to the capture of General Santa Anna at San Jacinto, Hardin clearly describes the strategy and tactics of each side. His research yields new knowledge of the actions of famous Texan and Mexican leaders, as well as fascinating descriptions of battle and camp life from the ordinary soldier's point of view.

This award-winning book belongs on the bookshelf of everyone interested in Texas or military history.

### Editorial Review

#### Review

"In Texian Iliad you smell the smoke of battle." (Paula Mitchell Marks *Texas Monthly*)

"Hardin has succeeded admirably in writing a balanced military history of the revolution, making an important contribution to the extensive body of work on the struggle that eventually led to Texas' becoming part of the United States." (Mike Cox *Austin American-Statesman*)

"I look forward to consulting this book for the rest of my career!" (David J. Weber, Robert and Nancy Dedman Professor of History, Southern Methodist University)

I look forward to consulting this book for the rest of my career! (David J. Weber, Robert and Nancy Dedman Professor of History, Southern Methodist University)

#### From the Back Cover

Hardly were the last shots fired at the Alamo before the Texas Revolution entered the realm of myth and controversy. French visitor Frederic Gaillardet called it a "Texian Iliad" in 1839, while American Theodore Sedgwick pronounced the war and its resulting legends "almost burlesque". In this new, highly readable history, Stephen L. Hardin discovers more than a little truth in both of those views. Drawing on many original Texan and Mexican sources and on-site inspections of almost every battlefield, he offers the first complete military history of the Revolution. From the war's opening in the "Come and Take It" incident at Gonzales to the capture of General Santa Anna at San Jacinto, Hardin clearly describes the strategy and tactics of each side. His research yields new knowledge of the actions of famous Texan and Mexican leaders, as well as fascinating descriptions of battle and camp life from the ordinary soldier's point of view. This in-depth coverage reveals the gallantry displayed by individuals on both sides of the conflict, as well as the atrocities of war. Most of all, it provides a balanced view of the Revolution that fairly assesses the conduct of both Texans and Mexicans. Texian Iliad belongs on the bookshelf of everyone interested in Texas or military history, as well as of general readers who want the facts behind the legends.

### Users Review

#### From reader reviews:

#### Anthony McDonell:

What do you with regards to book? It is not important together with you? Or just adding material when you really need something to explain what the one you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They should answer that question since just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this Texian Iliad: A Military History of the Texas Revolution to read.

**Ronald Jackson:**
