Editorial Review

From School Library Journal

Gr 2-5-Precocious Agatha, 12, is an international detective. With the help of her cousin-in-training, her butler, her sleuthing cat, and a poisonous cactus, she takes Egypt by storm in pursuit of a stolen artifact. With the smarts of Nancy Drew and the charm of Eloise, Agatha is an exciting addition to the girl-detective canon. Action-packed black-and-white illustrations are scattered throughout and range in size from small insets to full spreads. The story is fast-paced and contains enough surprises to keep readers engaged. The illustrations will entice those transitioning to chapter books, but the sometimes-challenging vocabulary make this a pick for those with a higher reading level. A fun, modern-day detective story with an international flair.-Sarah Townsend, Norfolk Public Library, VA α(c) Copyright 2011. Library Journals LLC, a wholly owned subsidiary of Media Source, Inc. The Agatha Mystery detective series kicks off by introducing the 12-year-old Londoner, an aspiring whodunit writer with an incredible memory; her cousin, Dash, a student at the Eye International Detective Agency; her butler, Chandler, a former heavyweight boxer; and Watson, Agatha's Siberian cat. Dash's Investigation Techniques exam involves recovering a missing artifact from an Egyptian dig, and he invites Agatha and company to join him. Each contributes to solving the case (Chandler, for example, pretends to be the true sleuth, allowing Agatha and Dash to investigate unobserved) but it's always clear that Agatha is in charge. The first of seven proposed titles, this Italian translation offers beginning chapter-book readers engaging characters, clever gadgets, and a well-plotted mystery full of quirky details (a cactus suffused with a paralyzing toxin and an Egyptologist addicted to ice-cream pops) and carefully constructed clues. Turconi's humorous black-and-white illustrations add detail to the Egyptian locales. Perfect for graduates of David A. Adler's Cam Jansen series, especially those who enjoy Lauren Child's Clarice Bean books. Grades 3-5. -- Kay Weisman
