### The Watchmen By Mark Cahill

So many Christians wonder if they are living up to the high calling of Christ in our lost and dying world. How can we lay down our lives to best serve the Lord during our brief time on earth? What should be the focus of every Christian's life? Are we living and breathing for the sake of the gospel? Through a friendly and conversational style, and with many stories and Scripture verses, you will see the importance of equipping yourself with sound biblical truth to warn the lost and live in ways that adorn the gospel of Christ. We should want to encourage, bless, and speak truth boldly into the lives of everyone we meet to rescue them from God's coming wrath. These are the words and deeds that the Lord treasures because they show how real He and His love are to the world. And they are watching. The Watchmen will passionately move your heart to become a watchman for the Most High God, who blows the trumpet long and loud in the lives of the unsaved around us. The world is sleeping but must be awakened to the reality of Judgment Day that is fast approaching. We must finish strong for the Lord and take as many souls with us to heaven as possible. Everyone must be ready. Join with the watchmen of God, who lift up their trumpets to call the perishing to choose life in Christ!

"Since reading The Watchmen, my life has never been the same! Although I was already born again, I had a lot of fear and lacked self-confidence whenever opportunities arose for me to preach or even share the gospel in our local fellowship, let alone in church! Now I can humbly say that I am confident and bold as I continue to open my heart to Christ. I am no longer ashamed of the Gospel of our Lord Jesus Christ. ""I just finished your book The Watchmen; and it was once again motivational, well-organized, well-researched, and practical. I am excited for you to meet your Maker face to face and to see the ripple-effect that your dedication has created in this lost and dying world. May you never lose heart, continue running the race, and keep the faith. ""I greet you in the name of our Lord Jesus Christ. First of all I thank you very much for the awareness you created in my life through your book WATCHMEN. I love every bit of the book. At a point, I felt I have failed God in evangelism but the book also made me realize that it is never too late to make amends. "I have learned many stuffs from your book; how to start a conversation anywhere at any time, how not to do a presentation, how to ask questions, how to bless people with our substance so we can talk to them about Christ, evangelism Bible verses, boldness, and I have also learned your evangelism lifestyle. God richly bless you. You have really challenged me and I am grateful. By the way am writing from Ghana-West Africa. ""Thank God for the encouragement of M.Cahill's Ministry! I find it such joy that there is always room to receive His mercy and high calling. Thankful for The Watchman- the encouragement and that it is full of Grace and Truth! ""I love The Watchmen! My friend gave it to me around Christmastime. It has been such a blessing to me. Thank you for letting the LORD use you to write it. God bless you, brother. ""The Watchmen is so captivating that you won't put it down; so compelling that it will cause you to examine your priorities, and so convicting that it will change the way you live your everyday life. A trumpet blast of truth for the Church of Jesus Christ to wake up-a must read! ""Satan doesn't like Christians, but he hates Mark Cahill's guts. Satan can't fight an army, and this book is a trumpet call to the army of the Lord, to all who call on the name of Jesus Christ... Awaken! ""Personal illustrations are the pump-up music I need to keep my Gospel trumpet warmed and tuned. Mark's challenge from Scripture in his newest book, complemented by real personal illustrations of how those Scriptures work in the real world with real people, is for me, everything I need to keep blowing the trumpet of truth with passion. Mark Cahill is a mentor to watchmen. ""This book was not written from the back room based on evangelism theory. Mark has written the most practical, challenge-filled book I've ever read written by man on this subject. Anyone with the Spirit indwelling them can tell this was written by a man with constant witnessing experience and a fear of the Lord. ""If you want what matters most to God to matter most to you, I believe the message in this book will resonate with you. Tears flood my eyes, as there are no words that can adequately express my gratitude for the faithful watchmen in my life!!!! ""This book brings into sharp focus what is closest to God's heart: that His watchmen live sold-out for Him and warn the lost to take refuge in Christ. Take hold of Mark Cahill's outstretched hand as his real-life witnessing stories, punctuated by profound truth, pull your heart up on the wall of God to be a resolute and unashamed watchman calling the perishing to choose life. Incredible encounters and 'off the charts' joy awaits those who do! ""Gave several copies of The Watchmen to friends today. What a powerful message! ""This book was an exciting read. Mark Cahill offers various ways to interact with the public to spread the gospel."
