The Wolf's Hour By Robert R. McCammon

Master spy, Nazi hunter—and werewolf on the prowl—in occupied Paris: A classic of dark fantasy from a Bram Stoker Award—winning author.

Allied Intelligence has been warned: A Nazi strategy designed to thwart the D-Day invasion is underway. A Russian émigré turned operative for the British Secret Service, Michael Gallatin has been brought out of retirement as a personal courier. His mission: Parachute into Nazi-occupied France, search out the informant under close watch by the Gestapo, and recover the vital information necessary to subvert the mysterious Nazi plan called Iron Fist.

Fearlessly devoted to the challenge, Gallatin is the one agent uniquely qualified to meet it—he's a werewolf.

Now, as shifting as the shadows on the dangerous streets of Paris, a master spy is on the scent of unimaginable evil. But with the Normandy landings only hours away, it's going to be a race against time. For Gallatin, caught in the dark heart of the Third Reich's twisted death machine, there is only one way to succeed. He must unleash his own internal demons and redefine the meaning of the horror of war.

From the award-winning author of *Swan Song* and *Boy's Life*, this is a “powerful novel [that] fuses WWII espionage thriller and dark fantasy. Richly detailed, intricately plotted, fast-paced historical suspense is enhanced by McCammon’s unique take on the werewolf myth” (*Publishers Weekly*).

Editorial Review

From Publishers Weekly

Originally published in 1989, this powerful novel fuses WWII espionage thriller and dark fantasy. Richly detailed, intricately plotted, fast-paced historical suspense is enhanced by McCammon's unique take on the werewolf myth. Russian-born British Secret Service operative and lycanthrope Michael Gallatin is a highly principled, deeply introspective, and internally tormented soul struggling to find himself amid the horror and chaos of 1944 Europe: "Not human. Not animal... .What am I, in the eye of God?" The limited edition hardcover reissue includes color illustrations from renowned artist Vincent Chong as well as a never-before-published companion novella, "The Room at the Bottom of the Stairs," which will raise interest in a planned collection of stories featuring Gallatin. McCammon's fans will cherish this lovingly produced reissue of a werewolf classic that deserves to be unearthed and rediscovered. (Nov.) (c)
