Flusi: The Sock Monster By Bine Brandle

Put 10 socks in a washing machine and only nine socks come out. How they disappear (and where they go) is a worldwide phenomenon. Inexplicable, that is, until now. Meet Flusi, the Sock Monster. He's a little creature of indisputable fierceness, overcome by desire to possess as many socks as possible.

Editorial Review

From School Library Journal

PreSchool-Grade 2—Maja's mum can't find the mates to the family's socks. When the child attempts to put one on, she discovers Flusi, the sock monster, biting her toe. They become fast friends and play together all day. That night, Flusi gets angry when the girl tucks him into her doll bed; he's annoyed to be treated like a toy or stuffed animal. All is set to rights the next night when Maja thinks of the perfect place for him to sleep. Overall, the brightly colored cartoons with large-eyed characters disappoint. The plot lacks detail and the story is too long-winded.—*Debbie Stewart Hoskins, Grand Rapids Public Library, MI*

Review

"Flusi the Sock Monster delivers a delightful answer to the question, 'What the snot is happening to all those socks that go mysteriously missing in the laundry?'" --- *Keep Your Eye on the Kids*

"A delightful picture book following the friendship between a girl and the little blue sock monster who swipes socks, leaving only one of a pair. A cheerful, intermediate-level story illustrated in whimsical color, that emphasizes the importance of respecting others." --- *Midwest Book Review*

From the Publisher

Meet Flusi - the real reason you're always rooting around in the laundry basket for that missing sock.

Users Review

From reader reviews:

Brent Cook:

Reading a publication tends to be new life style in this era globalization. With studying you can get a lot of information which will give you benefit in your life.
