The book includes tips on: how to title your home so you do not lose it to the state; how to make transfers to family members that won't disqualify you from Medicaid; how annuities make assets "disappear"; smart tricks for "spending down" your assets; what to change in your will to save thousands of dollars if your spouse ever needs nursing home care; avoiding the state's reimbursement claim following the nursing home resident's death; and much more. The 2016 Tenth Edition has been expanded, revised, and completely updated to incorporate all changes in the law as of January 1, 2016, and includes two chapters on Veterans' benefits.
