### Mr Stink By David Walliams

The second original, touching, twisted, and most of all hilarious novel for children from David Walliams, number one bestseller and fastest growing children's author in the country - beautifully illustrated by Quentin Blake. "Mr Stink stank. He also stunk. And if it was correct English to say he stinked, then he stinked as well..." Chloe sees Mr Stink every day, but she's never spoken to him. Which isn't surprising, because he's a tramp, and he stinks. But there's more to Mr Stink than meets the eye (or nose) and before she knows it, Chloe has an unusual new friend hiding in her garden shed. As Chloe struggles to keep Mr Stink a secret, and her dad tries to hide a secret of his own, the stage is set for an epic family confrontation. But there's one other person with an extraordinary secret - Mr Stink himself...

### Editorial Review

#### From School Library Journal

Grade 3–6—A lonely 12-year-old girl and a local tramp hit it off, and thus begins this delightful tale. Perhaps Chloe would not need to turn to Mr. Stink (he bathes once a year) if her overbearing mother accepted her for who she is and did not seem to prefer her sister. Chloe, however, is very good at taking people for who they are. She provides Mr. Stink with shelter, food, and friendship, and in the process unburdens herself to him and learns his secrets. This British import is reminiscent of Roald Dahl's books in its silly, exaggerated storytelling, and while some words may be unfamiliar to American readers and the ending is a bit melodramatic, the characters are appealing, the situations are hilarious, and the plot moves quickly. Blake's charming illustrations appear throughout.—*Mariela Siegert, Westfield Middle School, Bloomingdale, IL*

#### From Booklist

\*Starred Review\* Not to put too fine a point on it, but Mr. Stink stinks! "He was," author Walliams tells us, "the stinkiest stinker who ever lived." Why? Well, perhaps it's because he is homeless—unless you can call the old wooden bench on which he spends all his time a home. No one ever speaks to him until the day that a sweet-natured little girl named Chloe says hello. This sets in motion a series of often hilariously funny events that involve not only Chloe but her politically ambitious mother, her insufferable younger sister, a pompous television host, and even, yes, the prime minister himself (who turns out to be pretty insufferable, too). Walliams—a British comedian-actor-writer—has a gift for crafting memorable scenes and, in the person of Mr. Stink, has created a delightfully offbeat character who may have a secret past. The cheerfully rude tone that informs most of his story takes a sharp—and rather jarring—turn for the sentimental at the end, but young readers won't care, while readers of all ages will be thrilled by the in-a-word perfect illustrations of the great Quentin Blake (who else could draw a picture of stink?). Grades 4-7. --Michael Cart

##### **Micheal Clothier:**

As people who live in the actual modest era should be revise about what going on or details even knowledge to make all of them keep up with the era and that is always change and progress. Some of you maybe may update themselves by reading books. It is a good choice in your case but the problems coming to you actually is you don't know what type you should start with. This Mr Stink is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

**Maria Davis:**

People live in this new time of lifestyle always attempt to and must have the extra time or they will get great deal of stress from both lifestyle and work. So , if we ask do people have time, we will say absolutely yes. People is human not just a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, the particular book you have read is usually Mr Stink.

**Lyman Johnson:**

This Mr Stink is great guide for you because the content that is full of information for you who else always deal with world and still have to make decision every minute. This specific book reveal it information accurately using great organize word or we can declare no rambling sentences within it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but hard core information with attractive delivering sentences. Having Mr Stink in your hand like finding the world in your arm, details in it is not ridiculous one. We can say that no book that offer you world with ten or fifteen second right but this reserve already do that. So , this really is good reading book. Heya Mr. and Mrs. busy do you still doubt that?

**Ethelyn Allen:**

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Mr Stink can make you really feel more interested to read.
