**No Longer A Gentleman (The Lost Lords series Book 4)** By Mary Jo Putney

Grey Sommers, Lord Wyndham, never met a predicament he couldn't charm his way out of. Then a tryst with a government official's wife during a bit of casual espionage in France condemns him to a decade in a dungeon, leaving him a shadow of his former self. Yet his greatest challenge may be the enigmatic spy sent to free his body--the only woman who might heal his soul.

Cassie Fox lost everything in the chaos of revolution, leaving only a determination to help destroy Napoleon's empire through her perilous calling. Rescuing Grey is merely one more mission. She hadn't counted on a man with the stark beauty of a ravaged angel, whose desperate courage and vulnerability thaw her frozen heart. But a spy and a lord are divided by an impassable gulf even if they manage to survive one last, terrifying mission. . .

If anyone could locate Grey Sommers, Lord Wyndham, it would be Cassie Fox. Ten years ago, Sommers disappeared while on a routine spy mission in France. Now rumors have surfaced that he might very well be alive and imprisoned in Castle Durand. With her years of experience spying for the British and her ability to disguise herself and blend anonymously into the background, Cassie is the perfect agent for the mission. Indeed, she successfully infiltrates Castle Durand and rescues both Grey and a fellow prisoner. As they journey back to England and safety, Cassie does her best to remain professionally detached, only to find herself hopelessly falling for Grey, instead. The two engage in a passionate affair, which Cassie knows must end once Grey resumes his old life as a titled lord. The always reliable Putney imbues the latest installment in her elegantly written Lost Lords series with richly nuanced characters and an entrancing plot packed with an abundance of sizzling sexual chemistry and dangerous intrigue. --John Charles
