### **Editorial Review**

#### **Amazon.com Review**

Who is best equipped to give sex tips to heterosexual women about how to please a man in bed? Why, gay men, of course. Who would know better than gay men what makes men happy? Dan Anderson (gay) and best friend Maggie Berman (straight) have collaborated on this how-to book for women who feel that their lovers are afraid to ask for what they want. Chatty, informative, and graphic--in a clinical, not sexy way--Anderson and Berman have borrowed a little from Helen Gurley Brown, a little from Miss Manners, and a lot from Masters and Johnson to show women how the other half loves. Never smug and mostly useful, *Sex Tips* shows that sexual orientation can as easily be a potluck as a culture clash.
