**Slave Ship (Star Wars: The Bounty Hunter Wars, Book 2)** By K. W. Jeter

He's both feared and admired, respected and despised. Boba Fett is the galaxy's most successful bounty hunter. Now he finds himself the hunted in the oldest game of all: survival of the fittest.

The once powerful Bounty Hunter's Guild has been shattered into warring factions. Now the posting of an enormous bounty on a renegade Imperial stormtrooper is about to start a frenzy of murderous greed.

Hoping to fuel rumors of his death, Boba Fett abandons his ship, *Slave I*, and sets out to claim the prize. Yet his every move leads him closer to a trap set by the cunning Prince Xizor. Fett will die before becoming Xizor's pawn in the Emperor's war against the Rebels. And he may have to. For in order to gain his freedom he must outwit a sentient weapon that feeds on human spirits. Then he must escape a galaxy of deadly enemies who want to make the rumors of his death a reality.

### Editorial Review

Amazon.com Review

*"How many times, wondered Boba Fett, could he die--and yet not die? Someday it would be all over for him..."*

Fett fans take note: *Star Wars: Slave Ship* features the (in)famous bounty hunter as he chases after the largest bounty ever offered--by tracking down renegade stormtrooper Trhin Voss'on't. The story, book 2 in The Bounty Hunter Wars series, jumps back and forth between the time of *Star Wars: New Hope* and *Return of the Jedi* in a series of convoluted plot twists that involve everyone from Emperor Palatine and Darth Vader to Zuckuss and Bossk. Written by well-known SF writer K.W. Jeter (whose first novel, *Dr. Adder*, was praised by Philip K. Dick as "stunning"), *Star Wars: Slave Ship* is in many ways a perfect serial novel--it raises as many new questions for the next installment as it solves from the previous one. Neelah's identity is finally revealed, but how did she end up in Jabba the Hutt's palace? You'll have to wait and see. --C.B. Delaney

Review

A ruthless enemy threatens Boba Fett with a fate worse than death. . .
