### Editorial Review

#### Amazon.com Review

Even readers who don't normally enjoy Arthurian legends will love this version, a retelling from the point of view of the women behind the throne. Morgaine (more commonly known as Morgan Le Fay) and Gwenhwyfar (a Welsh spelling of Guinevere) struggle for power, using Arthur as a way to score points and promote their respective worldviews. *The Mists of Avalon*'s Camelot politics and intrigue take place at a time when Christianity is taking over the island-nation of Britain; Christianity vs. Faery, and God vs. Goddess are dominant themes.

Young and old alike will enjoy this magical Arthurian reinvention by science fiction and fantasy veteran Marion Zimmer Bradley. --*Bonnie Bouman*

#### Review

"[A] monumental reimagining of the Arthurian legends . . . Reading it is a deeply moving and at times uncanny experience. . . . An impressive achievement."

--The New York Times Book Review

"Marion Zimmer Bradley has brilliantly and innovatively turned the myth inside out. . . . add[ing] a whole new dimension to our mythic history."

--San Francisco Chronicle

"Gripping . . . Superbly realized . . . A worthy addition to almost a thousand years of Arthurian tradition."

--The Cleveland Plain Dealer

#### From the Publisher

I love this book. Plain and simple: It's the absolute best retelling of the Arthurian legend I've ever read. Over the years, I've given copies to everyone close to me. I haven't reread it in years, but I must still talk about it, because when I was in Ireland and my husband commented to my 8-year-old daughter (who hasn't read it...yet!) that there are no snakes in Ireland, she piped up that the snakes that were supposedly driven out of Ireland by Saint Patrick were actually the Druid priests, whose wrists were encircled with snake tattoos. And that it's just a natural phenomenon that there are no native Irish snakes. And thus begins another generation of Mists of Avalon believers!

--Shelly Shapiro, Executive Editor

### Users Review

#### From reader reviews:

##### Charles Anthony:

The book The Mists of Avalon can give more knowledge and information about everything you want. Why must we leave the best thing like a book The Mists of Avalon? A number of you have a different opinion about book. But one aim in which book can give many details for us. It is absolutely proper. Right now, try to closer using your book. Knowledge or facts that you take for that, you are able to give for each other; you may share all of these. Book The Mists of Avalon has simple shape however you know: it has great and large function for you. You can appearance the enormous world by start and read a reserve. So it is very wonderful.

**Ryan Neal:**

As people who live in the modest era should be revise about what going on or facts even knowledge to make them keep up with the era which can be always change and make progress.
