The Penultimate Peril (A Series of Unfortunate Events, Book 12) By Lemony Snicket

NOW A NETFLIX ORIGINAL SERIES

Lemony Snicket returns with the last book before the last book of his bestselling A Series of Unfortunate Events. Scream and run away before the secrets of the series are revealed!

Very little is known about Lemony Snicket and A Series of Unfortunate Events. What we do know is contained in the following brief list:

- The books have inexplicably sold millions and millions of copies worldwide
- People in more than 40 countries are consumed by consuming Snicket
- The movie was as sad as the books, if not more so
- Like unrefrigerated butter and fungus, the popularity of these books keeps spreading

Even less is known about book the twelfth in this alarming phenomenon. What we do know is contained in the following brief list:

- In this book, things only get worse
- Count Olaf is still evil
- The Baudelaire orphans do not win a contest
- The title begins with the word 'The'

Sometimes, ignorance is bliss.

Amazon.com Review

10 Second Interview: A Few Words with Daniel Handler

Q: Your Wikipedia (online encyclopedia) entry defines you as author, screenwriter, and accordionist. Is that how you would describe yourself?

A: I find that nothing makes people back away faster at a social gathering than "accordionist." Except perhaps "screenwriter." And, even "author" always makes people nervous, so I usually say "writer."

Q: How long have you been writing?

A: All my life really, since I was *able* to write all I wanted to do was write. I think largely I ended up becoming a writer because I could think of nothing else that I was good at--at all. As a kid, I always wanted to be a writer, and I had no backup plan whatsoever as an adult.

Q: Are the Baudelaire children ever going to be happy?

A: Well, they are happy on a regular basis, just not for very long. Um, are they ever going to be happy permanently? I don't know any permanently happy people, thank goodness.

Q: Okay, then is the series going to end on a happy note?

A: Well, I always remind readers of the Snicket books that happy is a comparative term, so the end will be happier than some people would think, but less happy than others.

Q: When can fans expect the final book?

A: I believe the thirteenth volume will be released in the fall of 2006, although something terrible could happen to the author at any moment and then the books would not be released at all.

An Interview with Lemony Snicket

Lemony Snicket has captured the hearts of children and adults alike with the hilariously gloomy series that began, of course, with *The Bad Beginning*. Amazon.com had a chance to question the author of this marvelously morbid and delightfully depressing series, and the communication was grim indeed. Read the cumbersome communique and see for yourself.

From [Booklist](#)

Gr. 5-8. "Book the Twelfth," second to last in the fantastically popular A Series of Unfortunate Events, reunites the beleaguered Baudelaire orphans with a host of characters from previous adventures as they

gather at Hotel Denouement (with rooms organized according to the Dewey decimal system) to await the delivery of--the sugar bowl. Well, fans will get the drift, despite the fact that this inventive go-round seems more dizzying and stuffed with definitions than usual. But even as the series draws to a close, new questions arise--the most important one being, are the kids valorous volunteers or villains after all? *Stephanie Zvirin*

From the Inside Flap

Dear Reader,

If this is the first book you found while searching for a book to read next, then the first thing you should know is that this next-to-last book is what you should put down first. Sadly, this book presents the penultimate chronicle of the lives of the Baudelaire orphans, and the first thing you should know about this next-to-last book is that it is next-to-first in its supply of misery, despair, and unpleasantness.

Probably the next-to-last things you would like to read about are the first things you would encounter in this next-to-last book, including a harpoon gun, a rooftop sunbathing salon, two mysterious initials, three unidentified triplets, a notorious villain, an unsavory curry, and several people you might find distressingly familiar and familiarly distressing.

Next-to-last things are the first thing to be avoided, and so allow me to recommend that you put this next-to-last book down first, and find something else to read next at last, such as the next-to-last book in another chronicle, or a chronicle containing other next-to-last things, so that this next-to-last book does not become the next-to-last book you will read.

Users Review

From reader reviews:

Consuelo Collier:

Nowadays reading books become more than want or need but also turn into a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The info you get based on what kind of guide you read, if you want get more knowledge just go with knowledge books but if you want truly feel happy read one with theme for entertaining like comic or novel. Typically the The Penultimate Peril (A Series of Unfortunate Events, Book 12) is kind of guide which is giving the reader unforeseen experience.

Thersa Davenport:

The reason? Because this The Penultimate Peril (A Series of Unfortunate Events, Book 12) is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will zap you with the secret it inside. Reading this book next to it was fantastic author who write the book in such amazing way makes the content interior easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of benefits than the other book possess such as help improving your ability and your critical thinking way. So , still want to hold up having that book? If I ended up you I will go to the e-book store hurriedly.

Dan Hanner:

Many people spending their period by playing outside with friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by looking at a book. Ugh, ya think reading a book really can hard because you have to use the book everywhere? It okay you can have the e-book, taking everywhere you want in your Smartphone. Like The Penultimate Peril (A Series of Unfortunate Events, Book 12) which is having the e-book version. So , why not try out this book? Let's find.

Jeffrey Lambert:

What is your hobby? Have you heard in which question when you got learners? We believe that that issue was given by teacher to the students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person similar to reading or as examining become their hobby. You must know that reading is very important and book as to be the issue. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You find good news or update in relation to something by book. Different categories of books that can you take to be your object. One of them is niagra The Penultimate Peril (A Series of Unfortunate Events, Book 12).
