Editorial Review

Review

“This is the northern voice on race?multiple perspectives and divergent experiences, but a common call for change on one of the most pressing issues of our time. Brave and poignant, full of true grit and wisdom, A Good Time for the Truth is a compelling challenge to us all.”

?Anton Treuer, author of Everything You Wanted to Know about Indians but Were Afraid to Ask

“Sun Yung Shin has brought together a collection of passionate literary warriors whose fierceness is equaled and at times surpassed only by their love of community, and of us, the people for whom they speak. The unburdening that takes place here is specific and yet representative. Either way it is heavy. Deep. You will not be able to read this book without changing. Minnesota will never be the same.”

?Alexs Pate, author and president, Innocent Technologies, LLC
