### Editorial Review

#### Review

"In print and on film, Mr. Cohen's arrestingly bedizened models embrace fashion with a sense of play."

Ruth LaFerla, *The New York Times*

"For all those who are sick and tired of seeing style and fashion presented solely as a young woman's game, behold 'Advanced Style.'"

*Los Angeles Times*

"a beautiful catalog of women who aren't over the hill, but rather ahead of the curve."

*New York Post*

"*Advanced Style* likely owes its rapid ascent in part to the dearth of attention paid anyone over 30 in popular culture. How the opportunity was missed is anyone's guess: According to 2010 census estimates, Americans 65 and older constitute 13 percent of the population. Those 45 and over — still two to three times the age of most female models — constitute more than 39 percent." *New York Times*

"The women who I photograph are confident. They know what they like, they know what suits their bodies, and they're dressing for themselves. They don't dress based on trends." Ari Seth Cohen, *New York Times*

"These gorgeous ladies take away the fear of aging and give us all something to look forward to." *Huffington Post*

"These women are proof that personal style advances with age"

*StyleList*

"I was best friends with my grandmother growing up, and was always inspired by her energy and wisdom. I wanted to show that creativity, style, and vitality advance with age, and hopefully help change people's ideas about getting older."

Ari Seth Cohen, *StyleCaster*
