Editorial Review

Review

Highly Commended in the Anaesthesia Category, BMA Medical Book Awards 2011

About the Author

Dr Shaw was born and educated in Edinburgh, Scotland. Before studying medicine at Corpus Christi College, Cambridge University, he graduated with a First Class Honours degree in Pharmacology from the University of Bradford and was subsequently awarded a PhD by Cambridge University. He trained in anaesthesia and intensive care in the John Radcliffe Hospital, Oxford and the teaching hospitals of Newcastle upon Tyne. For the past 20 years Dr Shaw has been a Consultant Anaesthetist and an honorary Clinical Lecturer in the teaching hospitals of Newcastle upon Tyne. His areas of clinical practice include: anaesthesia for oral and maxillofacial surgery; ear, nose and throat (ENT) surgery; and upper gastrointestinal surgery, in particular major oesophageal surgery. For the past eleven years Dr Shaw was a Royal College of Anaesthetists Final Fellowship examiner and chairman of the Final Fellowship Clinical Science Oral examination. Professor Chandra Kumar is a Consultant Anaesthetist based at The James Cook University Hospital, Middlesbrough, UK. His interests include ophthalmic, regional, elderly and colorectal anaesthesia. He has edited 5 textbooks and published widely in peer review journals in all aspects of anaesthesia. He has lectured and conducted master classes on ophthalmic regional anaesthesia in all the continents and prestigious organisations such as World Congress of Anaesthesiology, World Congress of Regional Anaesthesia, American Academy of Ophthalmology, Ophthalmic Anesthesia Society, American Society of Anesthesiologists, Association of Anaesthetists of Great Britain and Ireland and many others. He founded British Ophthalmic Anaesthesia Society (BOAS) and is its current President and International President, 3rd World Congress of Ophthalmic Anaesthesia (Turkey). He is also examiner for the Final FFARCSI examinations for The College of Anaesthetists, Dublin.

Users Review
