## **Editorial Review**

### **From the Publisher**

Hanna guides students through this in-depth, positive approach to developing healthy interactions and relationships in all aspects of life. Coverage includes personal understanding and self-enhancement, improving interpersonal communication skills, and developing and enriching different types of relationships. The Second Edition represents a major revision that updates and includes the most recent, relevant material and enhances the qualities that made the First Edition so successful.

### **From the Back Cover**

Highly practical and easy-to-read--yet thoroughly grounded in recent psychological and sociological research, this book provides a complete tutorial on the personal and interpersonal skills that underlie the process of building developing healthy, fulfilling professional and personal relationships. It guides readers in taking responsibility for themselves, making wiser choices, improving their relationships, appreciating all kinds of diversity, and living happy, fulfilling, and productive lives.
