Our Study Guide for the Postal Exam Is Unlike Any Other

If you'd like to get the Postal Exam score you deserve, to quit worrying about whether your score on the Postal Exam is "good enough," and to beat the test taking game so you can become a postal worker, then this might be the most important message you read this year.

Our comprehensive study guide for the Rural Carrier Exam 460, General Entrance Test Battery 470, and Battery 473 Postal Exams is written by our Postal Exam experts, who painstakingly researched the topics and the concepts that you need to know to do your best on the Postal Exam. Our original research into the Postal Exam 473/473-C/460, offered by the US Postal Service, reveals the specific content areas and the essential skills that are critical for you to know on the Postal Exam. We've taken the information and developed a study guide that is guaranteed to help you be successful on the Postal Exam.

Regardless of whether you are taking the Rural Carrier Exam 460, the General Entrance Test Battery 470, or the NEW Battery 473 Postal Exam, you have come to the right place. Here you will find everything you need to know in order to be successful on your Postal Exam.

The US Postal Service has put a hurdle in your way. If you're looking for a way to begin acing practice tests and ultimately the actual Postal Exam, ***Postal Exam Secrets*** is the test aide that you've been looking for to help you get over that hurdle, ace the test, and become a US Postal worker.

Most test takers already have a general knowledge of the material that will be covered on the exam.

One reason some test takers do well on the day of the test is that they have made the critical connection between the material they learned and how to use the material to succeed on the Postal Exam.

Our guide addresses the difference between merely knowing the material and knowing how to use the material to **perform on test day**.

You're going to save time, money, and aggravation. You'll learn to avoid the mistakes and the bad strategies that you've been vulnerable to. --Just for starters, here are some ways our product can help your score on the Postal Exam...

The Exclusive Test Taking Techniques

- Shows you super speed methods to get through the questions you know with ease- Saving you time so you concentrate on the hardest questions without rushing
- Keys to questions that "give away" the wrong (or right) answers- You get credit for some of the questions without really even knowing anything about them
- Details the EXACT STUDY PLAN for the Postal Exam that we believe gives the most results in the least time- No matter if you're studying for a week or a month, you won't waste the precious study time you have on useless activities

- Get quick, customized help for the questions you have- just send us a quick email and we'll get back to you promptly with the answer.
- Empowers you with a memorization tips that will let you save more time than you thought possible- You won't be wasting precious time anymore scouring through your memory, but will immediately be able to remember exactly what you are need to know
- Allows you to attack critical number series - You'll understand how to answer them quickly and efficiently
- Our researchers are more than just academic theoreticians who understand the technical nature of standardized tests, but are also experts on test taking itself- they reveal the exact skills and the information you'll need to perform under pressure during the test.
- A systematic analysis and the best breakdown into "plain language" of how to deconstruct and master oral instructions- You turn the problems that most of the test takers will stumble over to your advantage
- Prepares you for the Address Memory traps that are waiting for you - You'll see right through this pitfall
- The secret keys that "gives away" the right answer a lot of the time- You know the special "flags" and the specific "giveaways" to look for
- Learn why, when, and how to guess to your advantage. Many test takers use exactly the wrong strategy, but you can avoid the pitfalls with the help of our standardized test experts

- Our exclusive "calibration strategy" to help you never go too fast OR too slow when answering even the toughest questions
- The 5-step process we've developed, what we call the "phased" approach, concerning the use of the various study aids and practice tests
- How the problem of procrastination can kill your chance of success, and the most important thing you can do about it
- How to know when you've studied as much as you need to for the exam- and the reason why we think some people should spend LESS time studying for the test
- The Top 20 things you should take care of within 24 hours of taking the test- use the list we provide as a checklist to make sure you've taken care of the "little things" in addition to studying hard --
- How to predict the right answer before you see the answer choices- and how to prevent the wrong answers from "polluting" your mind and tempting you into a trap designed by the test writers
- Do you know what a "hedge phrase" is? Learn why looking for the key "weasel words" in the question can help identify the correct answer
- Why "new information" in the answer choices almost always means that the answer choice is wrong- and the way to avoid this trick planted by the clever test writers
- Learn to avoid this time-draining mistake on the test - why the technical terms you don't know can be a major stumbling block and waste precious time, and the way that you can work around them
- The secret to using the contextual clues in the questions and the answer choices to make important distinctions between the right and the wrong answer choices
- The two situations where you should NOT check your answers thoroughly
- How to avoid careless mistakes by using the quick "double check" system. It will more than pay for itself relative to the time it will take you

- Test writers will often quote directly from the question in an answer- learn whether this is something you should trust or avoid
- Why "extreme statements" in the answer choices are dead giveaways for wrong answers- find out how to detect the subtle differences between reasonable answers and the answers that are almost always wrong
- Learn how to group your answer choices into "families" that often narrows down the pool of correct answers- this is a quick way to immediately eliminate one or two of the answer choices and increase your odds of getting the question right

Now, you're probably wondering how and why we can do all the things we claim.

Let us explain.

Before we go any further, let us clarify what ***Postal Exam Secrets*** is not. It is not a stale rehash of all of the things you have already learned in the past.

We cover the **5 essential skills** necessary to do well on the Postal Exam, plus **comprehensive reviews** covering the Address Checking, Address Memory, Number Series, Following Oral Instructions sections individually.

Don't take our word for it. Listen to what our customers say about other Mometrix test preparation products.

I purchased the Secrets file, and I just wanted to let you know that I got a 99% on my test. I just want to thank you again, and hope you have continued success in your ventures. Sincerely, Paul L.

My name is Chris. I used the Secrets study guide for five days. The study guide made the test so easy to understand. Like you said this program is worth 100's of dollars. To me 1,000's!! THANKS, Chris G.

I just had to thank you guys for the test prep! I bought the guide as a last minute prep, I mean maybe 5 hours before the test. Like I said, I had ZERO preparation! I was nervous about the test let alone receiving the score I needed. I read the guide through only once before test time and needless to say, the only way I passed was thanks to your refresher!! Brian

Just dropping you a note to let you know that I am completely satisfied with the product. I had already taken the test once and landed in the 75 percentile of those taking it with me. I took the test a second time and used some of your tips and raised my score to the 97 percentile. Thanks for my much improved score. Denise W.

I heard about your website from a friend. I am enrolled in a review course, and in hindsight, I wish I wouldn't have taken my review course and instead spent a fraction of the money on your program. Thank you! Zac L.

You get at least 10 times your money's worth! --When you consider what's at stake with the exam, we believe the value of our study guide gives you at least ten times your money's worth.
