### Editorial Review

From Publishers Weekly

For people who suspect their spouses are having a secret romantic affair, or are coping with the aftermath of one, this primer offers sensible counsel, albeit in pedestrian, chatty prose. From case studies of 100 adulterous couples whom he has treated, Pittman, a psychiatrist in Atlanta, draws profiles of four basic patterns of betrayal: accidental flings which "just happen"; habitual philandering, which he believes to be motivated by insecurity and fear of the opposite sex; crazy, in-love romantic states that cloud one's judgment; and marital arrangements ranging from sexual supplements to flamboyant revenge affairs. His deflation of "popular myths" about affairs is less than startling. More helpful are sections on what to look for in a marriage partner, dealing with jealousy, remarriage (unions between a divorcing partner and the "affairee" have a low success rate) and the traumatic effects of secret affairs on children. First serial to Self. Copyright 1988 Reed Business Information, Inc.

Review

"Dr. Pittman takes us on a remarkably informative foray into the unknown territory of marital infidelity. *Private Lies* manages to be delightfully readable, compassionate and awfully funny at the same time." (Maggie Scarf)

About the Author

Frank Pittman, M.D., was a psychiatrist and family therapist in Atlanta, Georgia. A renowned author of many books, he also wrote a regular column, "Ask Dr. Frank", which appeared in *Psychology Today*, and was a regular contributor to *Psychotherapy Networker*. He died in 2012.

### Users Review

From reader reviews:

**Rose Villegas:**
