The Halo Chronicles: The Guardian By Carey Corp

High school sophomore Alex Grabovski is cursed with a gift: the ability to see the goodness and evil in her fellow human beings in the form of halos--rings of light or darkness--that surround the body. Her goals in life are to keep moving, find her best friend, and to remain invisible. A new foster family and new school offer her a real chance at a normal life. But in order to stay, she must accept that her gift, The Gift of the Saints, has been bestowed for a purpose and confront the overwhelming darkness she fears.

Then he appears.

Gabriel is a Seraph, a guardian angel sent in the mortal body of a sixteen-year-old boy to protect Alex at the time in her life when she needs it most. Although he is as old as time, Gabriel's teenage form reacts to Alex in an unexpected, unprecedented way. He falls hopelessly in love with her.

When their school erupts in violence, Gabriel and Alex realize why the guardian was sent. But can they rise above human emotions to fulfill their destinies, even if it means the outcome will rip their fragile world apart?

You don't want to miss this 2015 *NY Times* and *USA Today* best selling novel. The Halo Chronicles: The Guardian is a 2010 RWA Golden Heart® finalist for best young adult fiction.

"Thrilling and oh-so-romantic, THE GUARDIAN will keep you up all night,

turning the pages!" -Kristi Cook author of HAVEN

Editorial Review

Review

I'm speechless right now, words cannot describe the beauty of this book. Ok this story was beyond amazing. What I can say though is Carey captured the emotions of teenage love & heartache perfectly. The end is so bittersweet but I'm giddy waiting for the next :-) -*Goodreads*, 5 out of 5 stars

This book was simply amazing. Carey Corp is a fantastic writer with the ability to write a story without worrying about taking chances with her characters. - *Great Minds Think Aloud Book Club*

About the Author

Originally from California, Carey currently resides four miles from downtown Cincinnati with three badly behaved pets, two delightfully challenging children, and one incredibly supportive spouse. She is a member of the Romance Writers of America (RWA) and the Society of Children's Book Writers and Illustrators (SCBWI). In May of 2011, she published her edgy guardian angel story, THE HALO CHRONICLES: THE GUARDIAN (a RWA National 2010 Golden Heart finalist for YA fiction) and is hard at work on the sequel.

Users Review

From reader reviews:

Marie Clayton:

In this 21st hundred years, people become competitive in every way. By being competitive right now, people have do something to make these people survives, being in the middle of the actual crowded place and notice by simply surrounding.
