The Idea of America By Bill Bonner, Pierre Lemieux

In their new book, visionaries Pierre Lemieux and William Bonner invite readers to reexamine long accepted notions of what America is and what it means to be an American. Lemieux and Bonner carefully chose each of the written works included in the striking anthology to spark imagination, thought, and debate.

Each of the selections--some well-known classics and others the thoughts of less conventional thinkers--builds on the next, engaging readers in an exploration of the concepts that are fundamental to our view of who we are. No stone is left unturned as subjects ranging from individual liberty to religion and self reliance are covered through the words of some of the most creative thinkers ever to put pen to paper.

This arresting collection contains one of the most unique mixes of works ever to be compiled. From the documents that gave birth to America--the Declaration of Independence and the Bill of Rights--to the insightful reflections from the always delightful H.L. Mencken on the American character and Ralph Waldo Emerson's classic words on individual and religious self reliance. The Idea of America is a true celebration of the spirit that is America.

Editorial Review

Review

"The thoughtfully selected essays in this volume offer a window into the soul of our great nation." -- *Edward H. Crane, President, CATO*

About the Author

William Bonner is the founder, president, and driving force behind the highly successful consumer newsletter publishing company, Agora Publishing, Inc. He began Agora, Inc. in 1979 with an office in Baltimore, Maryland. Today, Agora has offices all over the world including London, Paris, Ireland, Germany, South Africa, and Nicaragua.

Mr. Bonner remains actively involved with the publication of over 40 newsletters and countless books that reflect his passion for savvy investing, adventurous travel, and good health. Mr. Bonner writes the wildly popular financial e-letter The Daily Reckoning with over 300,000 readers worldwide. When not busy traveling or writing on behalf of Agora he spends time with his wife and six children.

Pierre Lemieux is an economist, teacher, consultant, writer, and unconventional thinker who has published numerous books and articles. Always with a focus on individual liberty Lemieux has written on subjects ranging from the defense on insider trading to the right to keep and bear arms.

Prof. Lemieux is the Co-Chairman of the Liberty and Economics Research Group at the University of Quebec in Outaouais, and a Research Fellow at The Independent Institute (Oakland, California).

Users Review

From reader reviews:

Lucille Wood:

Nowadays reading books become more than want or need but also be a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book that improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want send more knowledge just go with training books but if you want truly feel happy read one along with theme for entertaining such as comic or novel. The actual The Idea of America is kind of publication which is giving the reader capricious experience.

Jennifer Stewart:

The reserve untitled The Idea of America is the publication that recommended to you you just read. You can see the quality of the publication content that will be shown to you actually. The language that article author use to explained their way of doing something is easily to understand. The writer was did a lot of exploration when write the book, therefore the information that they share to you is absolutely accurate. You also can get the e-book of The Idea of America from the publisher to make you more enjoy free time.

Clyde Harlan:

It is possible to spend your free time you just read this book this book. This The Idea of America is simple to deliver you can read it in the area, in the beach, train and soon. If you did not get much space to bring often the printed book, you can buy often the e-book. It is make you easier to read it. You can save the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Phillip Herzog:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this The Idea of America can make you experience more interested to read.
