### Editorial Review

#### Amazon.com Review

A delightful children's story about Ancient Egypt and time travel. In the tradition of all books by Scieszka and Smith, although it is perfect for ages 6-10, adults will get a smile too from the offbeat humor and weird predicaments in which the Time Warp Trio find themselves.

#### From Publishers Weekly

Another adventure featuring the three boy heroes of The Good, the Bad and the Goofy and Scieszka's other time-travel comedies, this action-packed tale takes the trio to ancient Egypt. Ages 7-11.

Copyright 1998 Reed Business Information, Inc.

#### From Booklist

Gr. 4^-6. High jinks reign in the latest adventure of the Time Warp Trio, which finds friends in the heart of ancient Egypt. This time, they square off against a pharaoh's evil priest as they search for the all-important Book, Joe's little sister, Anna, and Cleo the cat. Readers expecting logic will be disappointed, but those who like creative problem solving will be delighted with the novel ways the kids save themselves from untimely demise. Scieszka devotes one explanatory chapter to readers unacquainted with the boys' unique time machine, but it will be readers who have met the distinctive threesome before who will enjoy the fast-flying action of this tale the most. They will like it even more if they remember some of what they learned in school about Egyptian customs and history. The illustrations, done as usual by Lane Smith, are a bit disappointing.
