Zombie Movies: The Ultimate Guide By Glenn Kay

Featuring chronological reviews of more than 300 zombie films—from 1932's *White Zombie* to the AMC series *The Walking Dead*—this thorough, uproarious guide traces the evolution of one of horror cinema's most popular and terrifying creations. Fans will learn exactly what makes a zombie a zombie, go behind the scenes with a chilling production diary from *Land of the Dead*, peruse a bizarre list of the oddest things ever seen in undead cinema, and immerse themselves in a detailed rundown of the 25 greatest zombie films ever made. Containing an illustrated zombie rating system, ranging from "Highly Recommended" to "Avoid at All Costs" and "So Bad It's Good," the book also features lengthy interviews with numerous talents from in front of and behind the camera. This updated and expanded second edition contains more than 100 new and rediscovered films, providing plenty of informative and entertaining brain food for movie fans.

Editorial Review

From [Booklist](#)

For fans of the gory, grotesque, dark-humor-filled world of horror, zombie films may be the most beloved of subgenres. Kay (Disaster Movies, 2006) provides a chronological listing, with summary and review, for more than 250 films from 1932 to 2008. Summaries of each decade, interviews with filmmakers, and other features are interspersed, as is a generous complement of promotional photos. A list of the author's 25 favorite zombie films, an appendix of "zombie-less" zombie films, and a short bibliography follow. Director and film indexes complete the book. One caveat: basic information like running time, country of origin, director, and stars are spread throughout each film's description (and sometimes not included) instead of summarized at the top of each entry as in most filmographies. Kay's readable style and the subjective nature of so-bad-it's-good cinema make this fun book more appropriate for circulating collections than reference.

Review

"Kay's guide is the zombie movie bible for the film student and horror moviegoer [It] captures the satire, the fear, the politics, and the humor of both classic and modern horror flicks. From *Night of the Living Dead* (1968) to *Cemetery Man* (1994) to *Wild Zero* (2000), you can't go wrong with this guide. Fun for the whole undead family!" —*PopMatters*

"A near-perfect reference guide for followers of the shambling dead. With extremely up-to-date coverage . . . this volume will be a welcome addition to zombie connoisseurs' coffee tables." —*Fangoria*

"The definitive guide to zombie movies. Rated and reviewed, decade by decade, for the reader's convenience. A must-read for all zombie scholars!" —Dan O'Bannon, director, *The Return of the Living Dead*

"...Fans of flesh eaters in film should enjoy the hell out *Zombie Movies: The Ultimate Guide*. It's very complete, often amusing, has a wealth of information, a bunch of pictures, and lots of everything else that an (un)deadhead would want in their book about zombie flicks. If you love zombies like I love zombies then do yourself a favor and pick this one up." —*Horror World*

"I thought I was done with zombies, but with his book he reminded me that even if the sub-genre is currently a broken record, I still have a nice collection that I can always go back to and enjoy. Well played, sir." —*Horror Talk*

"Kay's assessments are penned with tons of wit, humor, and playfulness." —*Complex Magazine*

"The edition, paper quality, images and size of the book are borderline perfection. And the contents will make you smile and enjoy your journey through Zombie history." —*Series & TV*

"*Zombie Movies: The Ultimate Guide 2nd Edition* lives up to its name and is an indispensable guide for any fan of zombie films." —Mania.com
