Colonial Conscripts: The Tirailleurs Senegalais in French West Africa, 1857-1960 (Social History of Africa (Paperback)) By Myron Echenberg

In *Colonial Conscripts*, Myron Echenberg traces the social history of a large and diverse group of West Africans who served in Senegalese regiments of the French colonial army. Examining both how the soldiers and veterans lived out their lives in service and how the military institution functioned, Dr Echenberg also reviews the African military within a framework bounded by such issues as labor, migration, and demography. The main focus is on how rank-and-file African soldiers, officers, and veterans responded to their ambiguous and often contradictory position within the colonial social formation.
