The 31-Day Cancer Cure By Ty Bollinger, Andy Scholberg

"Congratulations! You're cancer free!" declared Rev. Cobus Rudolph's doctor after Rev. Rudolph used the secrets found in The 31-Day Home Cancer Cure to get rid of his "hopeless" stage four colon cancer.

"You're a miracle from God!" said Richard Wiebe's doctor after he used the same secrets found in The 31-Day Home Cancer Cure to get rid of so-called "terminal" brain cancer. "Are you the terminal patient I saw two months ago? You look great!" That's what Kevin Irish's doctor exclaimed after Kevin used these secrets to get rid of his stage four lung cancer.

"Well, I know the cancer is here somewhere!" That's what Frank Woll's doctor said when he couldn't find the cancer with a magnifying glass. A month before, the doc had said they'd have to cut off half of Frank's ear and part of his neck! These four men got **TOTALLY WELL** with the secrets of The 31-Day Home Cancer Cure. Yes, there's a better way to beat cancer than suffering through the misery of chemo and radiation. My name is Ty Bollinger. I knew hardly anything about cancer until it killed seven members of my family, including my mom and dad! That's why I've spent the last seven years investigating alternative cancer treatments. And because I'm a layman, not a doctor, I'm free to tell you the truth—that conventional cancer treatments are poisonous and barbaric. I'm talking about radiation and chemotherapy. Radiation burns, and chemo poisons. They're awful treatments. The good news is there are better treatments. Now, for the first time, I've devoted an entire Special Report to The 31-Day Home Cancer Cure. This simple, at-home protocol is helping stage 4 cancer patients recover in as little as 31 days. I'm going to tell you about the 31-Day Home Cancer Cure so that you won't have to watch a loved one die in misery from outdated cancer treatments. This special report walks you through four easy steps: 1.) Detox for the first 31 days. My detox plan is unique because it's so thorough and effective yet gentle on your body. 2.) Use a nutritional "smart bomb" that massacres cancer cells without harming your healthy cells. This "smart bomb," which is completely natural, also lowers your blood pressure and kills pain with no bad side effects. 3.) Take the most effective immune-boosting supplement I've found. It kicks your immune system into high gear, unlike conventional cancer treatments such as chemo and radiation, which devastate the immune system. 4.) Enjoy a delicious anti-cancer eating plan and common-sense recommendations that most cancer-doctors completely overlook! It never entered my mind that I would help "terminal" cancer patients from around the world cure their cancer themselves, at home. But that's exactly what's happening when cancer patients
