The Continental Op By Dashiell Hammett

Short, thick-bodied, mulishly stubborn, and indifferent to pain, Dashiell Hammett's Continental Op was the prototype for generations of tough-guy detectives. In these stories the Op unravels a murder with too many clues, looks for a girl with eyes the color of shadows on polished silver, and tangles with a crooked-eared gunman called the Whosis Kid.

Editorial Review

Review

'...the Continental Op features in seven superb stories in this collection. Please, dear reader, I beg you, buy this book and treat yourself to the work of a true master of the crime genre.' -- Vincent Banville IRISH TIMES 'Orion's magnificent Crime Masterworks series ...has collected seven of the finest Continental Op short stories in a single volume... It is a magnificent collection, marking year zero in the hard-boiled school of crime fiction... Hugely recommended.' BURTON EVENING MAIL 'Some of the best examples of Hammett's work, painting a bleak picture of an American society warped by brutality, greed and treachery.' WESTERN DAILY PRESS

From the Inside Flap

Short, thick-bodied, mulishly stubborn, and indifferent to pain, Dashiell Hammett's Continental Op was the prototype for generations of tough-guy detectives. In these stories the Op unravels a murder with too many clues, looks for a girl with eyes the color of shadows on polished silver, and tangles with a crooked-eared gunman called the Whosis Kid.

About the Author

Dashiell Samuel Hammett was born in St. Mary's County. He grew up in Philadelphia and Baltimore. Hammett left school at the age of fourteen and held several kinds of jobs thereafter—messenger boy, newsboy, clerk, operator, and stevedore, finally becoming an operative for Pinkerton's Detective Agency. Sleuthing suited young Hammett, but World War I intervened, interrupting his work and injuring his health. When Sergeant Hammett was discharged from the last of several hospitals, he resumed detective work. He soon turned to writing, and in the late 1920s Hammett became the unquestioned master of detective-story fiction in America. In **The Maltese Falcon** (1930) he first introduced his famous private eye, Sam Spade. **The Thin Man** (1932) offered another immortal sleuth, Nick Charles. **Red Harvest** (1929), **The Dain Curse** (1929), and **The Glass Key** (1931) are among his most successful novels. During World War II, Hammett again served as sergeant in the Army, this time for more than two years, most of which he spent in the Aleutians. Hammett's later life was marked in part by ill health, alcoholism, a period of imprisonment related to his alleged membership in the Communist Party, and by his long-time companion, the author Lillian Hellman, with whom he had a very volatile relationship. His attempt at autobiographical fiction survives in the story "Tulip," which is contained in the posthumous collection **The Big Knockover** (1966, edited by Lillian Hellman). Another volume of his stories, **The Continental Op** (1974, edited by Stephen Marcus), introduced the final Hammett character: the "Op," a nameless detective (or "operative") who displays little of his personality, making him a classic tough guy in the hard-boiled mold—a bit like Hammett himself.

Users Review

From reader reviews:

Alyssa Cox:

In other case, little persons like to read book The Continental Op. You can choose the best book if you love reading a book. Provided that we know about how is important some sort of book The Continental Op. You can add expertise and of course you can around the world by just a book. Absolutely right, because from book you can know everything! From your country until foreign or abroad you can be known. About simple

thing until wonderful thing you could know that. In this era, we can open a book as well as searching by internet system. It is called e-book. You should use it when you feel bored stiff to go to the library. Let's read.

Lucille Grant:

The publication with title The Continental Op includes a lot of information that you can discover it. You can get a lot of profit after read this book. This kind of book exist new knowledge the information that exist in this publication represented the condition of the world now. That is important to you to find out how the improvement of the world. This specific book will bring you in new era of the global growth. You can read the e-book with your smart phone, so you can read the idea anywhere you want.

Zachary Foushee:

The reason why? Because this The Continental Op is an ordinary book that the inside of the book waiting for you to snap the item but latter it will distress you with the secret that inside. Reading this book adjacent to it was fantastic author who else write the book in such wonderful way makes the content within easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of benefits than the other book have such as help improving your proficiency and your critical thinking approach. So , still want to postpone having that book? If I were you I will go to the e-book store hurriedly.

Charles Frye:

That publication can make you to feel relax. This particular book The Continental Op was colourful and of course has pictures on the website. As we know that book The Continental Op has many kinds or type. Start from kids until teenagers. For example Naruto or Investigator Conan you can read and believe you are the character on there. So , not at all of book are make you bored, any it offers up you feel happy, fun and relax. Try to choose the best book in your case and try to like reading which.
