### Captivity By György Spiró

“*Captivity* is a complex and fast-paced tale of Jewish life in the early first century, a sort of sword-and-sandals saga as reimagined by Henry Roth. The narrative follows Uri from Rome to Jerusalem and back, from prospectless dreamer to political operative to pogrom survivor—who along the way also happens to dine with Herod Antipas and Pontius Pilate and get thrown into a cell with a certain Galilean rabble-rouser. Hungarian György Spiró’s deft combination of philosophical inquiry and page-turning brio should overcome that oft-mentioned American timidity toward books in translation.” —*The Wall Street Journal, Best Books of 2015*

A literary sensation, György Spiró’s *Captivity* is both a highly sophisticated historical novel and a gripping page-turner. Set in the tumultuous first century A.D., between the year of Christ’s death and the outbreak of the Jewish War, *Captivity* recounts the adventures of the feeble-bodied, bookish Uri, a young Roman Jew.

Frustrated with his hapless son, Uri’s father sends the young man to the Holy Land to regain the family’s prestige. In Jerusalem, Uri is imprisoned by Herod and meets two thieves and (perhaps) Jesus before their crucifixion. Later, in cosmopolitan Alexandria, he undergoes a scholarly and sexual awakening—but must also escape a pogrom. Returning to Rome at last, he finds an entirely unexpected inheritance.

Equal parts Homeric epic, brilliantly researched Jewish history, and picaresque adventure, *Captivity* is a dramatic tale of family, fate, and fortitude. In its weak-yet-valiant hero, fans will be reminded of Robert Graves’ classics of Ancient Rome, *I, Claudius* and *Claudius the God*.

### Editorial Review

#### Review

**“*Captivity* is a complex and fast-paced tale of Jewish life in the early first century, a sort of sword-and-sandals saga as reimagined by Henry Roth.** The narrative follows Uri from Rome to Jerusalem and back, from prospectless dreamer to political operative to pogrom survivor—who along the way also happens to dine with Herod Antipas and Pontius Pilate and get thrown into a cell with a certain Galilean rabble-rouser. Hungarian György Spiró’s deft combination of philosophical inquiry and page-turning brio should overcome that oft-mentioned American timidity toward books in translation.”

—*The Wall Street Journal*, Best Books of 2015

**“‘BEN HUR,’ BUT BIGGER AND BETTER.** Hungarian writer György Spiró’s newly translated novel *Captivity* powerfully sets the perils of modern Jewry in Early Christian Rome . . . *Captivity* [is] a sprawling (more than 800 pages), picturesque, old-fashioned historical novel about the Roman Empire, in the showy tradition of *Ben Hur* and *I, Claudius*. In fact, both Jesus and Claudius, the main characters of those books, make cameo appearances in *Captivity*, as do other boldface names of the 1st century CE, including Caligula, Pontius Pilate, and Philo of Alexandria. What sets *Captivity* apart is that it makes the rare attempt to view all these historical phenomena—from the rise of Christianity to the flamboyant vices of the emperors—through a distinctively Jewish lens . . . Where Spiró excels is dramatizing the world through which Uri moves—its political institutions and social arrangements, its sights and smells . . . a complex and thoughtful portrait of what Judaism meant in ancient Rome . . . *Captivity* draws you in with its pageant of the classical world, but by the end it also turns out to be a profound meditation on what Judaism meant, and means.”

—Adam Kirsch, *Tablet*

"With the novel *Captivity*, Spiró proves that he is well-versed in both historical and human knowledge. It appears that in our times, it is playfulness that is expected of literary works, rather than the portrayal of realistic questions and conflicts. As if the two, playfulness and seriousness were inconsistent with each other! On the contrary (at least for me) playfulness begins with seriousness. Literature is a serious game. So is Spiró's novel.?"

—Imre Kertész, Nobel Prize-winning author of *Fatelessness*

**“This remarkable novel, recently translated from the Hungarian, is as close as we are likely to get to a real feel for how it was to live in the first century CE . . .** Spiró’s artistic agility shines in his recreation of the world through which Uri moves . . . Spiró has absorbed an awesome amount of information to create his ancient tableaux. He demonstrates a mastery of everything from the silk trade to the workings of ancient economies . . . The strength of the book is in its unheroic, unillusioned depiction of ancient life . . . if you are curious about the ancient world, if you wish to get a 'finger-feel' for what it was like to live there, and to think about the forces that shaped the rise of Christianity, *Captivity* is well worth your time. Here is a faithful, fantastically informed, and extravagantly detailed picture of one of the most turbulent and consequential moments in human history.”

—David Wolpe, *Los Angeles Review of Books*

“Uri, the hero of Spiró’s enormous novel, is a Jewish Candide, although the scope of his exploits suggests more of a naive Don Quixote type . . . **Deliberate, evocative and richly detailed.** Spiró’s elaborate style reflects Uri’s acute observation, with the hint of a wink at the reader . . . Spiró, a Hungarian man of letters, juxtaposes the prosaic and the significant with aplomb and offers a cheeky, unique view of history through the eyes of his modest everyman. A thoroughly impressive literary feat.”

—*Publishers Weekly* (lead starred review)

**“A visceral new form of epic history.** Here mountains of trivia form vivid landscapes and academic minutiae open windows into the soul of a forgotten age. It is a work of fiction, though, and it is hilarious . . . Spiró’s serious accomplishment is to challenge the chilling observation, popularly attributed to Stalin, that ‘one death is a tragedy and one million deaths a statistic’ by breathing life into the neglected statistics of a magnificent—and terrifying, brutal—age . . . An intently philosophical book . . . Captivity expresses historical ideas authentically . . . As an award-winning author, Spiró displays predictable creativity, but the real power of Captivity is the ability the extensive historical detail lends the reader to inhabit and empathize with ancient life. It is difficult to imagine a more entertaining way to realize so much data, and it is wonderful that Spiró has managed such an accomplishment. His technique is a welcome innovation for historical fiction in general, and perhaps the drollest scholarly introduction to the first century yet.”

—*Jewish Book Council*

**“Brilliant, picaresque novel of Jewish life in the first century, a bestseller and prizewinner in Spiró’s native Hungary . . .** There are two great impulses at work in Spiró’s yarn, the first being a comprehensive sociology of Roman Jewry, the second a grand, seriocomic novel of ideas. Uri, overcoming obstacles and a flaw of birth, makes for a Joseph Campbell-worthy epic hero . . . there’s a lot packed into these pages, including an engagingly complicated portrait of Roman-Jewish relations in the early empire ('We loathe, absolutely loathe your kind, but not to the extent that we too will perish'), a rambunctious tour of ancient philosophies (including a hilarious semi-Mishnaic defense of prostitution), and no end of plain, good shaggy dog humor. A winning and thoughtful entertainment, somewhere between *Lives of the Caesars* and *The Tin Drum*.”

—*Kirkus Reviews*

**“[One of] the fifty best independent press books of 2015 . . .** There is no shortage of Hungarian masters writing enormous novels—Krasznahorkai and Nádas immediately come to mind—but Spiró’s epic road novel stands on its own. A picaresque that doubles as a kind of Jewish history, it’s **remarkably still a page-turner.**”

—*Flavorwire*

#### About the Author

Born in 1946 in Budapest, award-winning dramatist, novelist, and translator **György Spiró** has earned a reputation as one of postwar Hungary’s most prominent and prolific literary figures. He teaches at ELTE University of Budapest, where he specializes in Slavic literatures.

**Tim Wilkinson** gave up his job in the pharmaceutical industry to translate Hungarian literature and history. He is the primary translator of Nobel Prize-winner Imre Kertész. Wilkinson’s translation of Kertész’s *Fatelessness* won the PEN Club/Book of the Month Translation Prize in 2005.

## **Users Review**

### **From reader reviews:**

#### **Steven Maravilla:**

This Captivity book is simply not ordinary book, you have after that it the world is in your hands. The benefit you obtain by reading this book will be information inside this publication incredible fresh, you will get data which is getting deeper a person read a lot of information you will get. This specific Captivity without we realize teach the one who studying it become critical in considering and analyzing. Don't always be worry Captivity can bring if you are and not make your carrier space or bookshelves' turn out to be full because you can have it within your lovely laptop even telephone. This Captivity having good arrangement in word and also layout, so you will not truly feel uninterested in reading.

#### **Benny Joiner:**

Reading can called head hangout, why? Because when you find yourself reading a book especially book entitled Captivity your brain will drift away trough every dimension, wandering in each and every aspect that maybe not known for but surely will end up your mind friends. Imaging every single word written in a publication then become one contact form conclusion and explanation this maybe you never get just before. The Captivity giving you yet another experience more than blown away your brain but also giving you useful info for your better life in this era. So now let us show you the relaxing pattern here is your body and mind will be pleased when you are finished reading it, like winning an activity. Do you want to try this extraordinary paying spare time activity?

#### **Lisa Jennings:**

Do you like reading a book? Confuse to looking for your favorite book? Or your book seemed to be rare? Why so many question for the book? But almost any people feel that they enjoy regarding reading. Some people likes looking at, not only science book but in addition novel and Captivity or perhaps others sources were given knowledge for you. After you know how the fantastic a book, you feel want to read more and more. Science guide was created for teacher or students especially. Those guides are helping them to bring their knowledge. In additional case, beside science e-book, any other book likes Captivity to make your spare time a lot more colorful. Many types of book like this one.

#### **Roger Sowa:**

Reading a guide make you to get more knowledge as a result. You can take knowledge and information from the book.
