Contraception Made Easy By Laura Percy, Diana Mansour

Contraception Made Easy provides a concise overview of the subject and is especially written for non-specialists. The main audience for the book will be those working or training in primary care who want an easy-to-access, brief reference on the subject.

Building on the success of the other *Made Easy* books (*Medical Statistics Made Easy*, *Clinical Evidence Made Easy*, *Healthcare Economics Made Easy*, *Practice Accounts Made Easy*), this book provides concise and easy access to the key areas of contraception required by primary care professionals.

About the authors:

Laura Percy is a Specialist Registrar in Community Sexual and Reproductive Health.

Diana Mansour is a Consultant in Community Gynaecology and Reproductive Healthcare and Head of the Integrated Sexual Health Services for Newcastle upon Tyne, UK. She is also a Faculty Officer and Treasurer for the Faculty of Sexual and Reproductive Health Care, UK.

Editorial Review

Users Review

From reader reviews:

Delia Black:

As people who live in often the modest era should be change about what going on or details even knowledge to make them keep up with the era which is always change and advance. Some of you maybe will update themselves by looking at books. It is a good choice for you personally but the problems coming to anyone is you don't know what kind you should start with. This Contraception Made Easy is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

Gina Hill:

Contraception Made Easy can be one of your basic books that are good idea. All of us recommend that straight away because this e-book has good vocabulary which could increase your knowledge in terminology, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort to get every word into delight arrangement in writing Contraception Made Easy however doesn't forget the main point, giving the reader the hottest and based confirm resource information that maybe you can be among it. This great information may drawn you into new stage of crucial considering.

James Pierce:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's soul or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Contraception Made Easy can make you experience more interested to read.

Miriam Ellis:

What is your hobby? Have you heard this question when you got scholars? We believe that that question was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person similar to reading or as studying become their hobby. You have to know that reading is very important in addition to book as to be the matter. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You find good news or update with regards to something by book. Amount types of books that can you choose to adopt be your object. One of them is niagra Contraception

Made Easy.
