The Iron Queen: The Daughters of Zeus, Book 3 By Kaitlin Bevis

“If you love Greek mythology and young adult books, this series is a perfect choice!” – Jess at Such A Novel Idea

“What a powerful whirlwind end to this section of the series! There's so much heartbreak in this book. So much emotion. A great book!” – Reader's Dialogue

His love could destroy their world.

Life is hell for Persephone. Zeus will stop at nothing to gain access to the living realm and the Underworld. As the only living god with a right to both, Persephone's in trouble. Captured and tortured beyond the limits of her resolve, Persephone must find the power to stand against Zeus. But will she be strong enough?

Meanwhile, Hades contemplates desperate measures to rescue his queen. Persephone never thought of herself as dangerous, but there's a reason gods never marry for love. A being with the power to destroy all of creation shouldn't place more value in one individual than the rest of the planet. But Hades . . . Hades would break the world for her.

To save the world and stop both Hades and Zeus, Persephone must make a difficult choice. One that may cost her everything.

Kaitlin Bevis spent her childhood curled up with a book and a pen. If the ending didn't agree with her, she rewrote it. Because she's always wanted to be a writer, she spent high school and college learning everything she could to achieve that goal. After graduating college with a Bfa and Masters in English, Kaitlin went on to write The Daughters of Zeus series. kaitlinbevis.com
