**The Simpsons: A Complete Guide to Our Favorite Family** By Matt Groening, Ray Richmond

It's hard to believe that the Simpsons have been around for more than a decade. Today, *The Simpsons* is the longest-running animated series of all time (dethroning *The Flintstones* in February 1997), and an intrinsic part of pop culture.

The *Simpsons Complete Guide to your Favourite Show* is a celebration of this family's phenomenal decade. Arranged by season, the book covers each episode of the television show, with the special episodes (the annual Halloween show, "Who Shot Mr. Burns?" and "Krusty Gets Kancelled") receiving eyeball-busting two-page spreads. In addition, special sidebars are sprinkled throughout, showing:

- Simpsons firsts
- Bart's chalkboard lines
- Top Homerisms
- An Itchy & Scratchy filmography
- A Springfield timeline
- Things the audience may have missed

Highlighting the best of every show, *The Simpsons* is the ultimate celebration of the cartoon family that has kept the world in stitches. It is the ultimate must-have for all Simpsons aficionados.

### Editorial Review

#### Amazon.com Review

Nearly a decade into their run, it's clear that *The Simpsons* is one of the best-loved and most influential television shows to come down the pike in a long while. If the show's attitude was a little less pervasive, this encyclopedic book would be aimed solely at *Simpsons* addicts. But that's not entirely true--Matt Groening and Ray Richmond have created a book that is essential for anyone interested in where TV is today. That's not to suggest that the book is serious, though--it's not. *The Simpsons: A Complete Guide to Our Favorite Family* (that's debatable, but who cares?) is a collection of everything related to the show, from all the "couch gags" during the end of the opening credits, to the complete words to the theme song from *The Itchy and Scratchy Show*. There are broadcast dates, credits, and hidden jokes for every episode. You'll even find a list of things that make Homer go "Mmm..."

If you're a fan of the show, you'll be hard-pressed to find fault with Ray Richmond's collection. The only glaring one is that the stills often look a little blurry. Oh, and couldn't they have come up with a funnier title? But that's nitpicking. *Simpsons* fans, you know what to do.
