A child's garden of grass: (The official handbook for marijuana users), (A Contact book) By Jack S Margolis

The all-time marijuana classic, revised and reprinted for the first time in 50 years.
...and more hilarious than ever!

When you finish this book, you will know all there is to know about the use of the marijuana from buying it to cleaning it to rolling it in a joint to smoking it and getting high on it and realizing that there may be, after all, a point to existence.

Included are the following subjects:

Grass as an Aphrodisiac

Games Stoned People Play

Acquiring Grass

How to enhance the power of Grass

The Morality of Grass

“A wealth of off-beat tips for many readers – especially non-users – the greater value lies in the pleasant, almost grass-like aura that the authors produce. Their low key approach and refusal to take grass too seriously help support their main contention: that grass should be no big deal.” – Time Magazine
