### **Editorial Review**

#### **About the Author**

Frederick Augustus Washington Bailey (Frederick Douglass) was born a slave in Talbot County, Maryland. He took the name Douglass after escaping from the South in 1838.

As a leader in the abolitionist movement, Douglass was famed for his eloquent yet incisive political writing. And, like his near-contemporary, Booker T. Washington, understood the central importance of education in improving the lives of African Americans, and was therefore an early proponent of desegregation.

A firm believer in equal rights for all, Douglass attended a meeting of the National Council of Women in Washington, D.C., in the hours before his death in February 1895.
