**Career Development Interventions in the 21st Century** By Spencer G. Niles, JoAnn Harris-Bowlsbey

Written in an engaging style, the authors cover a full range of career development topics and essential competencies to provide readers with a comprehensive introduction to career development interventions. It uses numerous case examples that demonstrate how concepts can be applied to real-life scenarios. Chapter topics cover understanding and applying theories of career development, career development and diverse populations, career counseling strategies and techniques for the 21st century, career information and resources, using technology to support career counseling and planning, designing and implementing career development programs and services, career development interventions in schools and community settings, ethical and legal issues in career development interventions, and an evaluation of career planning services. For individuals preparing for a professional practice as a career counselor.

**Editorial Review**

**Users Review**

**From reader reviews:**

**Hal Clemens:**

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each publication has different aim or maybe goal; it means that book has different type. Some people feel enjoy to spend their time to read a book. These are reading whatever they have because their hobby will be reading a book. Why not the person who don't like reading through a book? Sometime, individual feel need book after they found difficult problem or exercise. Well, probably you will need this Career Development Interventions in the 21st Century.

**Dena Jacobs:**

What do you concerning book? It is not important along with you? Or just adding material when you want something to explain what yours problem? How about your spare time? Or are you busy person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every person has many questions above. They must answer that question because just their can do which. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this specific Career Development Interventions in the 21st Century to read.

**Carl Adams:**

Information is provisions for anyone to get better life, information nowadays can get by anyone at everywhere. The information can be a know-how or any news even a problem. What people must be consider whenever those information which is from the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one typically the resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take Career Development Interventions in the 21st Century as your daily resource information.

**Linda Howard:**

As a student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful

photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Career Development Interventions in the 21st Century can make you feel more interested to read.
