### Editorial Review

#### Review

“Ever wonder who that cool girl at the party is? The one shotgunning a beer and turning it into a bird house? That’s Joselyn! This book is exactly like Joselyn. It makes you look cooler than you are just by association.” (**Grace Helbig**, author of the #1 *New York Times* bestseller *Grace’s Guide* and host of *The Grace Helbig Show* on E!)

“Joselyn is the only person I know who can make DIY projects enjoyable and successful. I never thought crafts could be fun until Joselyn had me queef out puff balls. Really...that happened.” (**Colleen Ballinger**)

“There is a bad word on this book.” (**Miranda Sings**)

“...comedian and DIY-er Hughes’s first book is a find: full of good projects and written in a disarmingly funny, low-key tone.” (*Publisher’s Weekly*)

“Because I have read *DIY Dammit!*, I now giggle, laugh, and shimmy as I work on Artsi Craftsi Projects. Thank You Joselyn for saving my Life, inkreasing my Joys of Artsi Craftsi Adventures, and I like your Socks they are cute and nice (see Cover to see Socks).” (**Flula Borg**, DJ, actor, and YouTube personality)

“This book is for crafters who hate the Pinterest-perfect, overly styled aesthetic common in craft books and on blogs, but who still want to make cool stuff. Novice crafters with an itch to create will gain the most from the tutorials; Hughes’s fans will appreciate the ribald humor.” (*Library Journal*)

“I love [Joselyn’s] everygirl vibe. She’s the crafting bestie you want at your side to laugh when you tape a lame paper moustache above your lip and cry when you hot glue gun your fingers (because dammit, that hurts)!” (**Julie Dyer**, Try Small Things)

“As a silly gal who loves to craft, but lacks patience, time, and attention to detail, Joselyn’s book was the perfect fit for me to get my craft on! Quick, easy, funny (and very cool crafts).” (**Arden Myrin**, actress and comedian, *MadTV* and *Chelsea Lately*)

“This book is not only adorable and hilarious to read, it’s USEFUL! The book is filled with easy projects that will actually come out the way the photos depict. The items are easy to find and she even tells you where you can find them!” (**Bonnie Joy Dewkett**, The Joyfull Organizer)

“Dammit, this is a fun book.” (*BookPage*)

### Users Review

#### From reader reviews:

#### Lisa Martin:

Do you certainly one of people who can't read pleasant if the sentence chained in the straightway, hold on guys this aren't like that. This *DIY, Dammit!: A Practical Guide to Curse-Free Crafting* book is readable

#### **Scott Schiller:**

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this DIY, Dammit!: A Practical Guide to Curse-Free Crafting can make you truly feel more interested to read.
