Fine Things By Danielle Steel

Smart, likable, Bernie Fine was the wonder boy of Wolff's, New York's most glamorous department store. A senior VP moving up, he arrives in San Francisco to open a West Coast store. His career is skyrocketing, but his life is lacking a center. When he looks into the wide, innocent eyes of five-year-old Jane O'Reilly, and then into the equally enchanting eyes of her mother, Liz, Bernie knows he has found what he has been looking for. Bernie thought he had found love to last a lifetime, but when Liz is stricken with cancer shortly after the birth of their first child, time becomes painfully short. Alone with two children, Bernie must face the loss and learn how to move on. New people, new experiences, a new life alone with two kids. He meets it with courage and humor, and learns some of life's hard but precious lessons as he does.

Editorial Review

From Library Journal

Bernard Fine is happy with his life. In his early 30s, he has just been made senior vice-president of Wolff's Department Store in his hometown of New York. He is not pleased, therefore, when he is sent to California to open up a posh new Wolff's in San Francisco. His luck changes, though, when he falls in love with an enchanting five-year-old named Jane, and with her mother, Liz O'Reilly. Jane adores strong, sensitive Bernie and all three are blissfully happy until tragedy strikes the Fine family. In short, this is a story about the power of love and the unity of family to surmount grief and misfortune. The narrative moves slowly in parts and the dialogue is somewhat trite, but the characters are likeable and the story entertaining. Sure to be in demand by Steel fans. Literary Guild and Doubleday Book Club main selections. Maria A. Perez-Stable, Western Michigan University Libraries, Kalamazoo

From reader reviews:

Willie Hickox:

This book untitled Fine Things to be one of several books which best seller in this year, that's because when you read this publication you can get a lot of benefit onto it. You will easily to buy that book in the book retail outlet or you can order it by means of online. The publisher of this book sells the e-book too. It makes you quickly to read this book, as you can read this book in your Cell phone. So there is no reason for you to past this guide from your list.

Charles Alexander:

The reason? Because this Fine Things is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will zap you with the secret it inside. Reading this book close to it was fantastic author who all write the book in such amazing way makes the content inside easier to understand, entertaining

technique but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of advantages than the other book include such as help improving your skill and your critical thinking means. So , still want to delay having that book? If I have been you I will go to the publication store hurriedly.

Robert Nguyen:

Reading a book being new life style in this calendar year; every people loves to go through a book. When you go through a book you can get a great deal of benefit. When you read publications, you can improve your knowledge, due to the fact book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your examine, you can read education books, but if you want to entertain yourself read a fiction books, these us novel, comics, in addition to soon. The Fine Things provide you with a new experience in reading a book.

Jessie Davis:

Book is one of source of understanding. We can add our knowledge from it. Not only for students but in addition native or citizen will need book to know the change information of year in order to year. As we know those books have many advantages. Beside many of us add our knowledge, can also bring us to around the world. Through the book Fine Things we can consider more advantage. Don't someone to be creative people? To become creative person must like to read a book. Just choose the best book that suited with your aim. Don't always be doubt to change your life at this book Fine Things. You can more inviting than now.
