John Adams and the American Revolution By Catherine Drinker Bowen

In this highly praised biography of the formative years of the America's second president, Mrs. Bowen portrays John Adams within the context of colonial America and examines the momentous events that forged a new nation and the character of our second president. This is an old-fashioned biography, beautifully written, passionately interested in its subject. Mrs. Bowen's primary aim is to convey the temper of mind and intellectual curiosity of a man who many consider the most brilliant individual to have ever held the high office of the presidency.

Editorial Review

Review

In these loving pages Adams comes to life once again...It is a great achievement. -- *Henry Steele Commager, New York Times Book Review*

About the Author

Catherine Drinker Bowen was one of the most prominent practitioners in the field of literary biography. Her two best-known works, JOHN ADAMS AND THE AMERICAN REVOLUTION and YANKEE FROM OLYMPUS, have been praised as faithful and sympathetic portraits of distinguished Americans.

Users Review

From reader reviews:

Eva Stanfield:

Spent a free time and energy to be fun activity to try and do! A lot of people spent their free time with their family, or their friends. Usually they undertaking activity like watching television, planning to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Can be reading a book is usually option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to test look for book, may be the publication untitled John Adams and the American Revolution can be very good book to read. May be it is usually best activity to you.

Tracey Egan:

Often the book John Adams and the American Revolution has a lot of knowledge on it. So when you read this book you can get a lot of advantage. The book was published by the very famous author. This articles author makes some research before write this book. This specific book very easy to read you can get the point easily after scanning this book.

Donna Antonucci:

This John Adams and the American Revolution is great book for you because the content which can be full of information for you who else always deal with world and still have to make decision every minute. This specific book reveal it facts accurately using great plan word or we can claim no rambling sentences inside. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but challenging core information with lovely delivering sentences. Having John Adams and the American Revolution in your hand like having the world in your arm, information in it is not ridiculous a single. We can say that no publication that offer you world in ten or fifteen tiny right but this reserve already do that. So , it is good reading book. Hey there Mr. and Mrs. occupied do you still doubt that will?

Kathryn Mullins:

Reading a book being new life style in this calendar year; every people loves to learn a book. When you read a book you can get a great deal of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these kinds of us novel, comics, as well as soon. The John Adams and the American Revolution offer you a new experience in reading through a book.
