Personality: Classic Theories and Modern Research (4th Edition) By Howard S. Friedman, Miriam W. Schustack

This successful text puts “personality” back into the personality course, integrating the classic insights of the personality theorists with modern research in a manner that will fascinate and encourage deeper thought.

This text explores classic theory from a perspective that encourages critical thinking and fosters intellectual insight with respect to human nature. For example, it shows the relevance of classic theory to topics of personality and culture, evolution, ego, gender, and person-situation interactionism.

Employing the highest scientific standards, *Personality* also uses a wide range of unique and provocative pedagogical devices that have been shown to motivate students. Hailed as the best-written, most relevant personality textbook on the market, Friedman and Schustack's fourth edition brings the field of personality to today's diverse student body.

Editorial Review

From the Back Cover

Pearson's MySearchLab is the easiest way for students to master a writing or research project. In a recent student survey, the overwhelming majority of students are assigned writing and research projects, for which they would use research and citation tools if they were available to them. MySearchLab is a website available at no additional charge in a package with a Pearson textbook and is also available as a standalone product.
