**Rose Harbor in Bloom: A Novel** By Debbie Macomber

**#1 NEW YORK TIMES BESTSELLER**

Hailed as “the reigning queen of women’s fiction” (*The Sacramento Bee*), Debbie Macomber is renowned for her novels of love, friendship, and the promise of fresh starts. Now Macomber returns to the charming Rose Harbor Inn, where each guest finds a second chance and every room comes with an inspiring new view.

Since moving to Cedar Cove, Jo Marie Rose has truly started to feel at home, and her neighbors have become her closest friends. Now it’s springtime, and Jo Marie is eager to finish the most recent addition to her inn. In memory of her late husband, Paul, she has designed a beautiful rose garden for the property and enlisted handyman Mark Taylor to help realize it. She and Mark don’t always see eye-to-eye—and at times he seems far removed—yet deep down, Jo Marie finds great comfort in his company. And while she still seeks a sense of closure, she welcomes her latest guests, who are on their own healing journeys.

Annie Newton arrives in town to orchestrate her grandparents’ fiftieth wedding anniversary celebration. While Annie is excited for the festivities, she’s struggling to move on from her broken engagement, and her grandparents themselves seem to be having trouble getting along. Worse, Annie is forced to see Oliver Sutton, with whom she grew up and who has always mercilessly teased her. But the best parties end with a surprise, and Annie is in for the biggest one of all.

High-powered businesswoman Mary Smith, another Rose Harbor Inn guest, has achieved incredible success in her field, yet serious illness has led her to face her sole, lingering regret. Almost nineteen years ago, she ended her relationship with her true love, George Hudson, and now she’s returned to Cedar Cove to make amends.

Compassion and joy await Jo Marie, Annie, and Mary as they make peace with their pasts and look boldly toward their futures. *Rose Harbor in Bloom* is Debbie Macomber at her heartwarming best.

### Editorial Review

From [Booklist](#)

The second book in best-selling Macomber's *Rose Harbor* series is set in Cedar Cove, the cozy Washington town on the Puget Sound that is the setting of many of her novels as well as that of a new Hallmark Network TV series. Jo Marie Rose, a recent war widow, has opened a bed-and-breakfast in Cedar Cove. She is testy with curmudgeonly Mark, the handyman who procrastinated in putting her rose garden in until too late for it to be ready for her big open house, when every room is filled. Mary Smith, frail, weak, and bald from fighting breast cancer, has a secret reason for wanting to be in Cedar Cove. The other guests are celebrating the fiftieth anniversary of Annie Newton's grandparents. Annie, a party planner getting over a broken engagement, is aghast to run into her teenage nemesis—the first boy she ever kissed. Then Jo Marie learns that it isn't certain that her soldier husband perished in a helicopter wreck. Macomber's legions of fans will embrace this cozy, heartwarming read. --Diana Tixier Herald
