## **U.S. Border Security: A Reference Handbook (Contemporary World Issues)**

By Judith Ann Warner

This text provides an integrated view of post-9/11 security concerns over the United States's shared border with Mexico and Canada in regards to terrorism, unauthorized migration, drug and arms smuggling, and other illegal trade.

- Presents a chronological overview of the major historical and contemporary events impacting the U.S.-Canada and U.S.-Mexico borders, as well as the development of trilateral and international security concerns
- Includes a bibliography providing academic sources and a chapter of books, peer-reviewed journals, and video/DVD resources
- Glossary contains terminology for border security, unauthorized immigration, terrorism, drug and arms smuggling, and cross-border trade studies
- A chapter of biographical profiles describe the key players in politics, homeland security agencies, and criminal organizations

### Editorial Review

From School Library Journal

Gr 9 Up—This comprehensive text brings a 21st-century perspective to the issues involved in border security and the proposed solutions. The borders considered include the 95,000 miles of shoreline and defined air space, and the 327 official ports of entry. Specific issues in securing the physical land and water borders with Canada and Mexico are discussed separately. Chapters include “Background and History,” “Problems, Controversies and Solutions,” “Border Security in an International Context,” “Biographical Sketches,” and “Data and Documents.” The chapter of annotated print and online resources is especially thorough. In-text citations with complete reference lists at the end of each chapter make this resource most helpful for those conducting research or debating topics related to border security, human trafficking, drugs and weapons smuggling, or terrorism.—Patricia N. McClune, Conestoga Valley High School, Lancaster, PA. (c) Copyright 2010. Library Journals LLC, a wholly owned subsidiary of Media Source, Inc. No redistribution permitted.

### Review

"... this handbook on border security was a timely release in the 2010 election year, and will continue to be valuable. ... This useful compendium fills a gap on the reference shelf. The glossary and index are both helpful, but each would benefit from cross-references. Summing Up: Highly recommended. Lower- and upper-level undergraduates; general readers." - **Choice**

### About the Author

**Judith A. Warner**, PhD, is professor of sociology and criminal justice in the Department of Behavioral Sciences at Texas A&M International University in Laredo, TX.
