### Editorial Review

#### Review

It's a special pleasure to have this lovely and idiosyncratic book available in audio format. The reading by Patrick Cullen is fine. --*AudioFile*

Cullen maintains a mild, professional tone, appropriate to Thoreau's contemplations. Much of what [Thoreau] has to say still rings true in our century, and his deep sense of time and nature transcends the ages. --*KLIATT*

#### About the Author

Henry David Thoreau was an American author, poet, and philosopher, who is best known for his works *Walden* treatise about living in concert with the natural world and *Civil Disobedience*, in which he espoused the need to morally resist the actions of an unjust state. Thoreau's work heavily reflects the ideologies of the American transcendentalists, and he has long been considered a leading figure in the movement along with Ralph Waldo Emerson, Bronson Alcott, and, at first, Nathaniel Hawthorne (who changed his views later in life). In addition to his writing, which totaled more than twenty volumes, Thoreau was an active abolitionist, and lectured regularly against the Fugitive Slave Law. Thoreau died in 1862, and is buried along with Louisa May Alcott, Ellery Channing, and other notable Americans in Sleepy Hollow Cemetery in Concord, Massachusetts.

### Users Review

#### From reader reviews:

##### Benjamin Ward:

As people who live in often the modest era should be update about what going on or info even knowledge to make these individuals keep up with the era that is always change and make progress. Some of you maybe may update themselves by reading books. It is a good choice to suit your needs but the problems coming to a person is you don't know what type you should start with. This *A week on the Concord and Merrimack Rivers* is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

##### Joseph Jenkins:
