Popular Music: Topics, Trends & Trajectories By Tara Brabazon

This is the first textbook on Pop Music to be written after the start of the iPod era.

The book is organized in accessible sections which cover the main themes of research and teaching. It examines the key approaches to understanding popular music, the main settings of exchange and consumption, the role of technology in the production of popular music, the main genres of popular music, and the key debates of the present day.

Barbazon writes with verve and penetration. Her approach starts with how most people actually consume music today and transfers this onto the plain of study.

The organization of the material enables teachers and students to shuffle from one topic to the next. Yet the book provides an unparalleled network to the core library of concepts and issues in the field. As such, it is the perfect study guide for undergraduates located in this exciting and expanding field.

Editorial Review

Review

An incredibly wide-ranging critical account of popular music. The book is an essential resource for all staff and students in the field

Prof John Storey

Centre for Research in Media and Cultural Studies, University of Sunderland

One of the most thoughtful, inspirational and engaging popular music texts of recent years. It deserves to be well-thumbed by popular music students, academics and researchers alike. Insightful at every corner, the text covers a kaleidoscopic range of subjects - from country music to copyright, Madchester to Myspace - and delivers a wonderfully clear, authoritative and lively invitation to think and write about music. As pedagogically enriching as it is analytically sophisticated, the text not only describes current digital music cultures, but also suggests fruitful movements beyond current orthodoxies of popular music studies. A serious intervention that just so happens to be a clear and accessible textbook

Nick Prior

Senior Lecturer, Sociology, University of Edinburgh

About the Author

Tara Brabazon is Professor of Media at the University of Brighton, Visiting Professor at Edge Hill's SOLSTICE CETL, and Fellow of the Royal Society for the Encouragement of Arts, Manufactures & Commerce (RSA).

Previously, Tara has held academic positions in both Australia and Aotearoa/New Zealand. An outstanding teacher, she won six teaching awards, including the Australian National Teaching Award for the Humanities in 1998, along with others in the areas of disability and cultural studies. In 2005, Tara won both the Murdoch University Postgraduate Supervisor of the Year and the Teaching Excellence Award. In 2009 and she won the University of Brighton's Teaching Excellence Award, nominated by both undergraduate and postgraduate students. She was a finalist for the 2005 Australian of the Year and also the 2005 Telstra Businesswoman of the Year in the Community Service category. In 1999 and 2002, she was short-listed for the Western Australian Citizen of the Year.

Users Review

From reader reviews:

Andre Botsford:

The book Popular Music: Topics, Trends & Trajectories give you a sense of feeling enjoy for your spare time. You need to use to make your capable far more increase. Book can being your best friend when you getting stress or having big problem along with your subject. If you can make studying a book Popular

Music: Topics, Trends & Trajectories being your habit, you can get considerably more advantages, like add your capable, increase your knowledge about a number of or all subjects. You are able to know everything if you like open and read a reserve Popular Music: Topics, Trends & Trajectories. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other folks. So , how do you think about this publication?

Clifford Walsh:

In this 21st hundred years, people become competitive in each and every way. By being competitive right now, people have do something to make them survives, being in the middle of the actual crowded place and notice by surrounding. One thing that sometimes many people have underestimated the item for a while is reading. That's why, by reading a reserve your ability to survive boost then having chance to stand than other is high. To suit your needs who want to start reading a book, we give you this kind of Popular Music: Topics, Trends & Trajectories book as beginning and daily reading reserve. Why, because this book is more than just a book.

Teresa Burns:

As people who live in the actual modest era should be up-date about what going on or info even knowledge to make these people keep up with the era which can be always change and move ahead. Some of you maybe will update themselves by reading through books. It is a good choice to suit your needs but the problems coming to a person is you don't know what kind you should start with. This Popular Music: Topics, Trends & Trajectories is our recommendation so you keep up with the world. Why, because book serves what you want and want in this era.

Robert Denney:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Popular Music: Topics, Trends & Trajectories can make you feel more interested to read.
