Red Riding Hood By Sarah Blakley-Cartwright, David Leslie Johnson

Valerie's sister was beautiful, kind, and sweet. Now she is dead. Henri, the handsome son of the blacksmith, tries to console Valerie, but her wild heart beats fast for another: the outcast woodcutter, Peter, who offers Valerie another life far from home.

After her sister's violent death, Valerie's world begins to spiral out of control. For generations, the werewolf has been kept at bay with a monthly sacrifice. But no one is safe. When an expert wolf hunter arrives, the villagers learn that the creature lives among them - it could be anyone in town.

It soon becomes clear that Valerie is the only one who can hear the voice of creature. The Wolf says she must surrender herself before the Blood Moon wanes . . . or everyone she loves will die.

This is a dangerous new vision of a classic fairy tale, and for readers who want even more of Valerie's riveting story, a bonus chapter that extends the drama is available at <http://www.redridinghoodbook.com/>.
